photography user guide Wendy Hills,2021-10-30 If you thought iPhone 12 or any other previous iPhone to have come from Apple is the bomb wait till you start using your iPhone 13 Pro On this phone Apple took it to a new level that will be difficult for competitors to catch up with any time soon Anyone on the Apple Ecosystem should consider him or herself fortunate to be alive to witness the advanced technology behind the hood that makes life when using the iPhone 13 With more and more people using video technology for their everyday use Apple has included a whole new lot of video related features that can help you use your iPhone for cinematography purposes The iPhone camera has so many hidden features and tricks that you probably don t know about and only a book like this can help to expose those hidden features for you If you have an iPhone 11 Pro and want to be able to take stunning photos with it then this book is for you Now that you have got the iPhone 13 Pro Max you are probably wondering what next How do you make the most of this flagship phone and learn to use some of the hidden features of the phone If you thought iPhone 12 or any other previous iPhone to have come from Apple is the bomb wait till you start using your iPhone 13 Pro On this phone Apple took it to a new level that will be difficult for competitors to catch up with any time soon Anyone on the Apple Ecosystem should consider him or herself fortunate to be alive to witness the advanced technology behind the hood that makes life when using the iPhone 13 With more and more people using video technology for their everyday use Apple has included a whole new lot of video related features that can help you use your iPhone for cinematography purposes The iPhone camera has so many hidden features and tricks that you probably don t know about and only a book like this can help to expose those hidden features for you If you have an iPhone 11 Pro and want to be able to take stunning photos with it then this book is for you This time with the launch of the iPhone 13 they have included camera upgrades like Portrait mode video updated filter systems ProRes and so much more but will require that you master the camera setting for you to be able to use it to capture great shots which is why you should be ordering this book right away because it is going to tell you how to do just that Very often the manuals and user guides that accompany devices

tend to be basic on providing the best tricks and tips required to get the best from such devices which is why this book was written to help you get the most out of your iPhone 13 Pro Camera app In this book you will learn How to use the iPhone 13 Pro exclusive feature called ProRes The meaning of Cinematic mode and how they improve your iPhone videography Why manual camera settings can improve your picture quality How to access some hidden camera functions that you probably did not expect a phone camera to have The different functions of the three lenses and how you should use them Why you should not use the digital zoom and use the optical zoom instead to get the best from your photos This book shows many more functions than you would expect to find on a phone and helps you better utilize your iPhone 13 Pro Max when next you go on a trip visit the airport go on vacation capture important moments and document the different stages of your child s life This book is so valuable that this present price is not likely to stay for long as it will be reviewed soon only those who make an early decision to buy now will benefit from this bargain as it is a real gem of a book Translator Linsy B PUBLISHER TEKTIME
