THE GAME OF BLACKJACK

Blackjack, also known as Twenty-one, is one of the world's most popular casino games. In Blackjack, the dealer deals cards to seven players. These rules vary from casino to casino, but all versions of the game are based on the same principles. The goal is to get a 21 or closer to that value than the dealer.

Each turn and round the dealer deals additional cards. At the end of the round, the cards are discarded according to the players and dealer's results. The game is known for its complex strategy, but players can learn the rules of the game and do help new players understand the strategy.
