John Bramley

Marc Bolan In The East Of Our Heads:

Marc Bolan Nathalie Vogl, 2011-08-16 La destinée tragique de Marc Bolan, icône absolue du Glam Rock, ressemble un mauvais mélodrame de la Punkitude comment l'enfant teigneux de l'East London un temps faux hippie, largué en pleine période psychédélique, livré aux affres d'un mysticisme mal digéré fut le héros d'une nouvelle Beatlemania comment le Guerrier Électrique retomba dans l'oubli, devint une Diva bouffie et arrogante pour finir la Cochran ou la Jimmy Dean crabouillé en pleine Renaissance. Marc Bolan se plaisait faire de sa vie une suite de zones d'ombre, de non-dits, de mythes en tout genres. Il n'est pas tonnant de trouver de multiples contradictions entre les différents textes, articles, biographies, interviews qui lui furent consacrés. Bolan était avant tout un poète et un rêveur qui plus que manipuler son auditoire, aimait l'emmener dans les sentiers tortueux des mondes imaginaires. C'est pour cela que cette vraie fausse biographie, la première du genre en France, consacrée à la star, oscille en permanence entre vérité et fantasmagorie. Pour le plus grand plaisir de ceux qui préfèrent les rêves à la triste réalité.

Marc Bolan Killed in Crash Ira A. Robbins, 2020-03-27 Laila Russell is an ordinary 15 year old schoolgirl living in East Acton London with her father who is morose over his wife's accidental death. It's the spring of 1972. As the story begins, Laila spots a lost pocketbook on the London Underground and returns it to Amanda Charles, a stylish young woman who works for a rock star. With glam becoming big in the UK, Chaz Bonaparte, more of a 60s bluesy strutter, is going out of style. His manager Frank Guy comes up with a plan to get him back in the game by feeding him song ideas that teens would respond to, and he enlists Laila to be his secret weapon.

All in My Head Jessica Morris, 2022-06-09 All In My Head is a memoir by a woman who in her early fifties received a life shattering diagnosis. It is about her determined search for effective treatment, the birth of a campaign to get proper data and funding for research into glioblastoma (GBM) and finally her coming to terms with the knowledge that she has reached the end of the road. Jessica Morris takes the reader on a whirlwind journey. How does an ordinary person who last studied biology, aged sixteen, negotiate with world renowned doctors and surgeons about cutting edge treatments she must decide between? How do you remain positive when the median statistics suggest you have only fourteen months to live? How instead do you cast those fears aside and bounce back? All In My Head is much more than a book about GBM. It takes the reader into the life of a woman who when confronted by devastating news chooses to be strong. It is about fighting adversity with hope and finding reasons to be positive in the darkest moments.

Marc Bolan - Beautiful Dreamer John Bramley, 2017-09-14 Forty years after his tragic death this homage to Marc Bolan pays tribute to one of the pioneers of the glam rock movement Marc Bolan was the wizard who brought magic to rock music his heart beat to the rhythm of rock Moving from early folk influences and songs on the mythology of Tolkien he transformed himself into a unique sparkling and effervescent glam rock icon His boogie roots combined with Marc's own natural glitter dust and propelled him forward on an adventure with fortunes that were to ebb and flow over a decade His diamond studded halo was extinguished on 16 September 1977 at a time when his music was in the ascendancy The annals of history are strewn with stories of artists who passed away in shocking circumstances of those that died too young from substance abuse mysterious illnesses or even murder Sometimes the shock of their passing immediately elevates their standing in cultural memory and cements their work in a favourable light Marc Bolan died at twenty nine years of age in a tragic car crash an accident that could have been avoided However it took many years for people to start appreciating what Marc Bolan brought to a rock music scene in the early seventies which had stagnated in some corners after the explosion of creativity in the sixties Yet gradually acclaim has grown for how he enriched the period bringing colour and humour to an increasingly leaden genre Much like Hendrix before him and Cobain after him his natural charisma and striking beauty have underpinned his status as a dreamlike bard an enigmatic pin up whom boys wished they looked like and girls wished they were with Yet it was his scorching talent as a performer and songwriter which have formed the bedrock for longevity as a legend Including rare and unpublished photographs and works of Marc's own poetry this book is put together by a true original fan one who followed Marc Bolan on tour who bought every piece of vinyl he released and who was fortunate enough to have made Marc's acquaintance during the peak of his career Published forty years on from Bolan's death Beautiful Dreamer is unashamedly a book of love a book that every Marc Bolan fan will identify with because it paints a picture of the man that the fans idolised worshipped and continue to cherish to this day
