Maverick Tv Milestones Series English Edition:

Maverick Dennis Broe, 2015-08-15 Demonstrates how *Maverick The Legend of the West* fractured altered or undermined nearly every Western code and myth Airing on ABC from 1957 to 1962 *Maverick* appeared at a key moment in television Western history and provided a distinct alternative to the genre's usual moralistic lawmen in its hero Bret Maverick A non-violent gambler and part-time con man *Maverick's* principles revolved around pleasure and not power and he added humor satire and irony to the usually grim-faced Western In this study of *Maverick* author Dennis Broe details how the popular series mocked altered and undermined the characteristics of other popular Westerns like *Gunsmoke* and *Bonanza* Broe highlights the contributions made by its creators its producer Roy Huggins and its lead actor James Garner to a format that was described as the American fairy tale Broe describes how Garner and Huggins struck blows against a feudal studio system that was on its last legs in cinema but was being applied even more rigidly in television He considers *Maverick* as a place where multiple counter-cultural discourses converged including Baudelaire's Flaneur Guy DeBord's Situationists and Jack Kerouac's Beats in a form that was acceptable to American households Finally Broe shows how the series validation of *Maverick's* outside the law status punctured the Cold War rhetoric promoted by the adult Western Broe also highlights the series female con women or flaneuses who were every bit the equal of their male counterparts and added additional layers to the traditional schoolteacher showgirl Western dichotomy Broe demonstrates the progressive nature of *Maverick* as it worked to counter the traditional studio mode of production served as a locus of counter-cultural trends and would ultimately become the lone outpost of anti-Cold War and anti-establishment sentiments within the Western genre *Maverick* fans and scholars of American television history will enjoy this close look at the classic series **TV Guide**, 1992 **Catalog of Copyright Entries, Third Series**, 1959 *Air Force Magazine*, 1984 **Department of Defense appropriations for fiscal year 1979** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense, 1978 Department of Defense Authorization for Appropriations for Fiscal Year 1979 United States. Congress. Senate. Committee on Armed Services, 1978 *Play It Again, Sam* Andrew Horton, Stuart Y. McDougal, 2024-03-29 This title was originally published in 1998 *Play It Again Sam* is a timely investigation of a topic that until now has received almost no critical attention in film and cultural studies the cinematic remake As cinema enters its second century more remakes are appearing than ever before and these writers consider the full range of Hollywood films that have been recycled by Hollywood such as *The Jazz Singer* *Cape Fear* and *Robin Hood* foreign films including *Breathless* and *Three Men and a Cradle* which Hollywood has reworked for American audiences and foreign films based on American works among them Yugoslav director Emir Kusturica's *Time of the Gypsies* which is a makeover of Coppola's *Godfather* films As these essays demonstrate films are remade by other films Alfred Hitchcock went so far as to remake his own *The Man Who Knew Too Much* and by other media as well The editors and contributors draw upon narrative film and cultural theories and consider gender genre and

psychological issues presenting the remake as a special artistic form of repetition with a difference and as a commercial product aimed at profits in the marketplace The remake flourishes at the crossroads of the old and the new the known and the unknown Play It Again Sam takes the reader on an eye opening tour of this hitherto unexplored territory This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 **Weapons Testing** United States. General Accounting Office,1988 Briefing on Hughes Aircraft Company's Quality Control Procedures United States. Congress. House. Committee on Armed Services. Subcommittee on Research and Development,1985 **A Research Guide to Film and Television Music in the United States** Jeannie Gayle Pool,H. Stephen Wright,2011 Unlike traditional music film music sources are often difficult to locate and do not follow the patterns that researchers are trained to identify Although there have been several self described introductions to the field and articles that summarize the problems and state of research there is no resource that gathers together all of the basic information that is vital to film music research In this volume Jeannie Gayle Pool and H Stephen Wright address the difficulties scholars encounter when conducting research on film and television music Intended as a guide for scholars and researchers in navigating the complex world of film and television music this book provides a detailed taxonomy of film music primary sources and explains how to find and interpret them The authors tackle the problems of determining film score authorship and working with recordings of film music A bibliographic essay summarizes the major works and trends in film music research and provides clear pointers to the most important resources in the field An up to date guide to important collections of film music sources and other research materials is also included Designed to clarify the nature of film music source materials and how they are generated A Research Guide to Film and Television Music in the United States provides clear signposts for scholars and identifies opportunities for further research
