Schaub, Jr., Ryan Kelty, 2016-06-16 In Private Military and Security Contractors PMSCs a multinational team of scholars and  
experts address a developing phenomenon controlling the use of privatized force by states in international politics Robust  
analyses of the evolving multi layered tapestry of formal and informal mechanisms of control address the microfoundations of  
the market such as the social and role identities of contract employees their acceptance by military personnel and potential  
tensions between them The extent and willingness of key states South Africa the United States Canada the United Kingdom  
and Israel to monitor and enforce discipline to structure their contractual relations with PMSCs on land and at sea is  
examined as is the ability of the industry to regulate itself Also discussed is the nascent international legal regime to  
reinforce state and industry efforts to encourage effective practices punish inappropriate behavior and shape the market to  
minimize the hazards of loosening states oligopolistic control over the means of legitimate organized violence The volume  
presents a theoretically informed synthesis of micro and macro levels of analysis offering new insights into the challenges of  
controlling the agents of organized violence used by states for scholars and practitioners alike
