Hand To Mouth Living In Bootstrap America:

Hand to Mouth Linda Tirado, 2014-10-02 One of the Best 5 Books of 2014 Esquire I've been waiting for this book for a long time Well not this book because I never imagined that the book I was waiting for would be so devastatingly smart and funny so consistently entertaining and unflinchingly on target In fact I would like to have written it myself if that is I had lived Linda Tirado's life and extracted all the hard lessons she has learned I am the author of Nickel and Dimed which tells the story of my own brief attempt as a semi undercover journalist to survive on low wage retail and service jobs Tirado is the real thing from the foreword by Barbara Ehrenreich New York Times bestselling author of Nickel and Dimed We in America have certain ideas of what it means to be poor Linda Tirado in her signature brutally honest yet personable voice takes all of these preconceived notions and smashes them to bits She articulates not only what it is to be working poor in America yes you can be poor and live in a house and have a job even two but what poverty is truly like on all levels Frankly and boldly Tirado discusses openly how she went from lower middle class to sometimes middle class to poor and everything in between and in doing so reveals why poor people don't always behave the way middle class America thinks they should *Hand to Mouth* Linda Tirado, 2015-09-01 The real life Nickel and Dimed the author of the wildly popular Poverty Thoughts essay tells what it's like to be working poor in America ONE OF THE FIVE MOST IMPORTANT BOOKS OF THE YEAR Esquire DEVASTATINGLY SMART AND FUNNY I am the author of Nickel and Dimed which tells the story of my own brief attempt as a semi undercover journalist to survive on low wage retail and service jobs TIRADO IS THE REAL THING Barbara Ehrenreich from the Foreword As the haves and have nots grow more separate and unequal in America the working poor don't get heard from much Now they have a voice and it's forthright funny and just a little bit furious Here Linda Tirado tells what it's like day after day to work eat shop raise kids and keep a roof over your head without enough money She also answers questions often asked about those who live on or near minimum wage Why don't they get better jobs Why don't they make better choices Why do they smoke cigarettes and have ugly lawns Why don't they borrow from their parents Enlightening and entertaining Hand to Mouth opens up a new and much needed dialogue between the people who just don't have it and the people who just don't get it *Convicted and Condemned* Keesha Middlemass, 2017-06-27 Winner W E B DuBois Distinguished Book Award presented by the National Conference of Black Political Scientists Examines the lifelong consequences of a felony conviction through the compelling words of former prisoners Felony convictions restrict social interactions and hinder felons efforts to reintegrate into society The educational and vocational training offered in many prisons are typically not recognized by accredited educational institutions as acceptable course work or by employers as valid work experience making it difficult for recently released prisoners to find jobs Families often will not or cannot allow their formerly incarcerated relatives to live with them In many states those with felony convictions cannot receive financial aid for further education vote in elections receive welfare benefits or live in public housing In short they are not treated as full

citizens and every year hundreds of thousands of people released from prison are forced to live on the margins of society. *Convicted and Condemned* explores the issue of prisoner reentry from the felons perspective. It features the voices of formerly incarcerated felons as they attempt to reconnect with family, learn how to acclimate to society, try to secure housing, find a job, and complete a host of other important goals. By examining national housing, education, and employment policies implemented at the state and local levels, Keesha Middlemass shows how the law challenges and undermines prisoner reentry and creates second class citizens. Even if the criminal justice system never convicted another person of a felony, millions of women and men would still have to figure out how to reenter society essentially on their own. A sobering account of the after effects of mass incarceration, *Convicted and Condemned* is a powerful exploration of how individuals and society as a whole suffer when a felony conviction exacts a punishment that never ends. *Connaître Sacral Olo* in Periculus audAx, 2018-12-06

I wrote this to help the American audience repair its relationship with sex. It took twenty one years to write this book. No one has ever used one's own life as grounds for data gathering for sex. This book is not about tips and techniques but about philosophy. A female philosopher wrote this book. This book is a companion to *The Meaning of a Metaphorical Life*, a memoir that focuses on Christianity to show the inherent compatibility of sex with Christianity. This book is novel not only in content but also in format and style where it is written as a collaboration between two people both called me. The first part of the book is a giant quotation to maintain the integrity of what I had written previously as a younger person. The content of the first part of the book comes from me as a youthful writer. Footnotes come from me as editor. **Spirit and Capital in an**

Age of Inequality Robert P. Jones, Ted A. Smith, 2017-12-22 *Spirit and Capital in an Age of Inequality* brings together a diverse group of scholars, activists, and public intellectuals to consider one of the most pressing issues of our time: increasing inequalities of income and wealth that grate against justice and erode the bonds that hold society together. The contributors think through different religious traditions to understand and address inequality. They make practical proposals in relation to concrete situations like mass incarceration and sweatshops. They also explore the inner experience of life in a society marked by inequality, tracing the contours of stress, hopelessness, and a restless lack of contentment. This book honors the work of Jon P. Gunnemann, who has been a leading scholar at the intersections of religion and economics. *Spirit and Capital in an Age of Inequality* will be of interest to undergraduate and postgraduate students and scholars of religion and economics. It will be useful to policy makers and activists seeking a more thorough understanding of the role of religion and theology in public life.

The Problem of Social Inequality Scott G. McNall, 2015-12-07 Within and among nations, rising levels of social inequality threaten our collective future. Currently, upwards of 80% of people's life chances are determined by factors over which they have absolutely no control. Social inequality threatens the democratic project because it destroys the trust on which governments depend, and it gives rise to corrupt political and economic institutions. How can we get out of the traps we have created for ourselves? We need to reboot capitalism. Drawing on diverse examples from a range of countries, McNall

explains the social economic and ecological traps we have set for ourselves and develops a set of rules of resilience that are necessary conditions for the creation and maintenance of democratic societies and a set of rules essential for creating a sustainable future How People Matter Isaac Prilleltensky, Ora Prilleltensky, 2021-06-17 Mattering which is about feeling valued and adding value is essential for health happiness love work and social well being We all need to feel valued by and add value to ourselves others co workers and community members This book shows not only the signs significance and sources of mattering but also presents the strategies to achieve mattering in our personal and professional lives It uses research based methods of change to help people achieve a higher sense of purpose and a deeper sense of meaning Each chapter gives therapists managers teachers parents and healthcare professionals the tools needed to optimize personal and collective well being and productivity The volume explains how promoting mattering within communities fosters wellness and fairness in equal measure By using the new science of feeling valued and adding value the authors provide a guide to promoting happier lives and healthier societies *Welfare Doesn't Work* Leah Hamilton, 2020-02-06 This book explores the incentives and effects of modern welfare policy contrasted with outcomes of global basic income pilots in the past seventy years The author contends that paternalistic and counterproductive eligibility rules in the modern American welfare state violate the human dignity of the poor and make it nearly impossible to escape the poverty trap Furthermore these types of restrictions are absent from expenditures aimed at middle and upper income households such as mortgage interest deductions and tax sheltered retirement accounts Case examples from the author's years as a front line social worker and interviews with basic income pilot recipients in Ontario Canada are woven throughout the book to better illustrate the effects of the current system and the hidden potential of more radical alternatives such as a universal basic income A Church of the Poor Sedmak, Clemens, 2016-12-15 Using resources ranging from scripture to Catholic social teaching to the early Church Fathers the author examines how Pope Francis's emphasis on the Church of the Poor is calling us to a new epistemic practice involving an understanding of orthodoxy as discipleship and discipleship as a new way of getting to know and understand the world **Understanding the Power and Politics of Public Education** Janet Mulvey, Bruce S. Cooper, 2016-10-03 Understanding the Power and Politics of Public Education researches the history and trends of educating the populace in the United States Demographic changes and socio economic diversity have altered the needs for traditional approaches Policy makers are implored to become familiar with proven educational research to implement policies that service the needs of all youth Public schools now enroll more minority students than ever before Diverse languages cultures and experiences call for pedagogy to meet the needs and educational success for new citizens Teacher training programs in colleges and universities along with new curricula are in need of revision to promote educational success of new generations Understanding the role of experiential background and its influence on educational success and social mobility is necessary for a healthy society and democracy This book examines statistical studies showing the impact of environmental issues on

cognitive development and illustrates the educational outcome and effects of poverty through documented research in areas of health care nutrition pollution community and family experiences It also explores the role of family socio economic status and compares the educational readiness of the more and less affluent Cooperatives Confront Capitalism Peter Ranis,2016-08-15 Cooperatives the world over are successfully developing alternative models of decision making employment and operation without the existence of managers executives and hierarchies Through case studies spanning the US Latin America and Europe including valuable new work on the previously neglected cooperative movement in Cuba Peter Ranis explores how cooperatives have evolved in response to the economic crisis Going further yet Ranis makes the novel argument that the constitutionally enshrined principle of eminent domain can in fact be harnessed to create and defend worker cooperatives Combining the work of key radical theorists including Marx Gramsci and Luxemburg with that of contemporary political economists such as Block Piketty and Stiglitz Cooperatives Confront Capitalism provides what is perhaps the most far reaching analysis yet of the ideas achievements and wider historical context of the cooperative movement Ghettos, Tramps, and Welfare Queens Stephen Pimpare,2017 Explores how American movies have portrayed poor and homeless people from the silent era to today Front jacket flap Social Justice and the Power of Compassion Marguerite Guzman Bouvard,2016-07-11 Social Justice and the Power of Compassion looks at how a single person or a small organization working at the grassroots level can make great strides in helping the marginalized and disenfranchised Marguerite Guzman Bouvard weaves the personal stories of the founders and directors of such organizations as the Polaris Project MADRE and the Harpswell Foundation to show how they have dealt with social problems of many kinds that have been invisible for too long From dealing with climate change to giving housing and giving medical care to the homeless these people and their organizations have created models that have been replicated around the country and successfully given widespread attention to these important issues The Hamlet Fire Bryant Simon,2020-07-23 For decades the small quiet town of Hamlet North Carolina thrived thanks to the railroad But by the 1970s it had become a postindustrial backwater a magnet for businesses in search of cheap labor and almost no oversight Imperial Food Products was one of those businesses The company set up shop in Hamlet in the 1980s Workers who complained about low pay and hazardous working conditions at the plant were silenced or fired But jobs were scarce in town so workers kept coming back and the company continued to operate with impunity Then on the morning of September 3 1991 the never inspected chicken processing plant a stone s throw from Hamlet s city hall burst into flames Twenty five people perished that day behind the plant s locked and bolted doors It remains one of the deadliest accidents ever in the history of the modern American food industry Eighty years after the Triangle Shirtwaist Fire industrial disasters were supposed to have been a thing of the past in the United States However as award winning historian Bryant Simon shows the pursuit of cheap food merged with economic decline in small towns across the South and the nation to devalue laborers and create perilous working conditions The Hamlet fire and its aftermath reveal the social costs of

antiunionism lax regulations and ongoing racial discrimination Using oral histories contemporary news coverage and state records Simon has constructed a vivid potent and disturbing social autopsy of this town this factory and this time that exposes how cheap labor cheap government and cheap food came together in a way that was destined to result in tragedy

On the Job Heather Akou,2024-02-22 Through a variety of archival documents artefacts illustrations and references to primary and secondary literature *On the Job* explores the changing styles business practices and lived experiences of the people who make sell and wear service industry uniforms in the United States It highlights how the uniform business is distinct from the fashion business including how manufacturing developed outside of the typical fashion hubs such as New York City and gives attention to the ways that various types of employers small business corporate government and others differ in their ambitions and regulations surrounding uniforms *On the Job* sheds new light on an understudied yet important field of dress and clothing within everyday life and is an essential addition to any fashion historian s library appealing to all those interested in material culture the service industry heritage and history

Understanding Inequality: Social Costs and Benefits Amanda Machin,Nico Stehr,2016-04-14 The contributions in this book highlight contextualize and analyze different aspects of social inequality What are the various cause and effects of inequality How have these changed over recent decades Which social policies might be best able to intervene Written by authors from a variety of disciplines and geographical regions these contributions provide a rich account of inequality within contemporary society The role of the state the media and the market in exacerbating and alleviating patterns of equality are all accessed alongside analysis of changing patterns of exclusion and hierarchy

From the Folks Who Brought You the Weekend Priscilla Murolo,A.B. Chitty,2019-07-19 Newly updated An enjoyable introduction to American working class history *The American Prospect* Praised for its impressive even handedness *From the Folks Who Brought You the Weekend* has set the standard for viewing American history through the prism of working people Publishers Weekly starred review From indentured servants and slaves in seventeenth century Chesapeake to high tech workers in contemporary Silicon Valley the book puts a human face on the people places events and social conditions that have shaped the evolution of organized labor enlivened by illustrations from the celebrated comics journalist Joe Sacco Library Journal Now the authors have added a wealth of fresh analysis of labor s role in American life with new material on sex workers disability issues labor s relation to the global justice movement and the immigrants rights movement the 2005 split in the AFL CIO and the movement civil wars that followed and the crucial emergence of worker centers and their relationships to unions With two entirely new chapters one on global developments such as offshoring and a second on the 2016 election and unions relationships to Trump this is an extraordinarily fine addition to U S history that could become an evergreen comparable to Howard Zinn s award winning *A People s History of the United States* Publishers Weekly A marvelously informed carefully crafted far ranging history of working people Noam Chomsky

Citizen Designer Steven Heller,Veronique Vienne,2018-05-22 Balancing Social Professional and Artistic Views

What does it mean to be a designer in today's corporate driven overbranded global consumer culture? *Citizen Designer* Second Edition attempts to answer this question with more than seventy debate stirring essays and interviews espousing viewpoints ranging from the cultural and the political to the professional and the social. This new edition contains a collection of definitions and brief case studies on topics that today's citizen designers must consider including new essays on social innovation, individual advocacy, group strategies and living as an ethical designer. Edited by two prominent advocates of socially responsible design, this innovative reference responds to the tough questions today's designers continue to ask themselves such as: How can a designer affect social or political change? Can design become more than just a service to clients? At what point does a designer have to take responsibility for the client's actions? When should a designer take a stand? Readers will find dozens of captivating insights and opinions on such important issues as reality branding, game design and school violence, advertising and exploitation, design as an environmental driving force and much more. This candid guide encourages designers to carefully research their clients, become alert about corporate, political and social developments and design responsible products. *Citizen Designer* Second Edition includes insights on such contemporary topics as advertising of harmful products, branding to minors and violence and game design. Readers are presented with an enticing mix of opinions in an appealing format that juxtaposes essays, interviews and countless illustrations of design citizenship. **The Sage**

Encyclopedia of Multicultural Counseling, Social Justice, and Advocacy Shannon B. Dermer, Jahaan R.

Abdullah, 2023-12-08 Since the late 1970s there has been an increase in the study of diversity, inclusion, race and ethnicity within the field of counseling. The SAGE Encyclopedia of Multicultural Counseling, Social Justice and Advocacy will comprehensively synthesize a wide range of terms, concepts, ideologies, groups and organizations through a diverse lens. This encyclopedia will include entries on a wide range of topics relative to multicultural counseling, social justice and advocacy and the experiences of diverse groups. The encyclopedia will consist of approximately 600 signed entries arranged alphabetically within four volumes. **Survival of the Richest** Donald Jeffries, 2017-07-04

Survival of the Richest is a fantastically well researched book and should join Robert Reich and Barbara Ehrenreich on the must read bookshelf on wealth disparity. Dr. Naomi Wolf, CEO DailyClout.io, offers a fresh look at economic inequality in America. *Survival of the Richest* scrutinizes how the collective wealth of America has been channeled from the poor and middle class into the hands of a few elitists. American industry has been gutted with wages and benefits stagnant or reduced thanks to a disastrous trade deal, outsourcing and the crippling of unions. The Occupy Wall Street movement and the presidential campaigns of both Bernie Sanders and Donald Trump reveal how more and more people who are struggling understand that the system is rigged against them. While Americans have been trained to direct their scorn at welfare recipients and the poor in general, a tiny handful of plutocratic elites have profited on an unfathomable scale through corporate welfare and other perks: unimaginable salaries and bonuses for the One Percent contrasted by layoffs and reduced pay for the majority of the workforce along with

increasing calls for austerity measures and lowered standards of living has become the new normal in America Donald Jeffries argues that this record economic inequality is more than an unintended consequence of globalism In Survival of the Richest he shows how the consolidation of wealth may well prove to be the greatest conspiracy of all
