**Hans Christian Andersen** Jackie Wullschläger,2001 Beloved by generations of children and adults around the world for tales such as The Ugly Duckling and The Emperor s New Clothes Hans Christian Andersen 1805 1875 revolutionized children s literature Although others before him had collected and retold folk stories and fairy tales Andersen was the first to create the stories himself instilling a previously stilted genre with new humor wisdom and pathos Drawing on letters diaries and other original sources many never before translated from the Danish Wullschlager shows in this compelling extensively researched biography how Andersen s writings darker and more diverse than previously recognized reflected the complexities of his life a far cry from the happily ever after of a fairy tale As we follow in his footsteps from Golden Age Copenhagen to the princely courts of Germany and the villas of southern Italy Andersen becomes a figure every bit as fascinating as a character from one of his stories a gawky self pitying and desperate man but also one of the most gifted storytellers the world has ever known STORIES FROM HANS CHRISTIAN ANDERSEN - 7 Illustrated Children's stories from the Master Storyteller Hans Christian Andersen,2018-09-26 In this volume you will find 7 children s stories by the master story teller Hans Christian Andersen These 7 stories are accompanied by 28 exquisite colour plates by another master Edmund Dulac Included in this volume are The Mermaid on which the famous statue is based and The Emperor s New Clothes which is always sure to make children giggle Fancy and emperor walking around with no clothes on How rude Andersen believed that wherever there are children fairy tales will be read and loved He was right then and he is still right today The tales in this volume are The Snow Queen The Nightingale The Real Princess The Garden Of Paradise The Mermaid The Emperor s New Clothes The Wind s Tale The power of his tales to charm and elevate runs like a living thread through

whatever he writes In the two books the first of which is presented here they have met the tests and held an undiminishing popularity among the best children s books They have set the standard and their place in permanent literature will grow wider and more secure as time passes Only a few children s authors will be ranked among the Immortals and Hans Andersen is without a doubt one of them It adds a charm to the little stories of these two volumes to know that the genial author travelled widely for a man of his time and everywhere he went he was urged to tell the tales himself Even though he had become world famous he did with equal measures of charm and grace in the kitchens of the humble and in the courts of nobles and palaces of kings 10% of the profit from the sale of this book will be donated to charities by the Publisher
