Reading Contemporary Picturebooks David Lewis, 2012-11-12 *Reading Contemporary Picturebooks* takes a look at one of the most vibrant branches of children's literature the modern picturebook This exciting new book takes a sample of contemporary picturebooks and closely examines the features that make them distinctive and then suggests a way of characterising the interanimation of words and pictures that is the essence of the form The reasons for the picturebook's vitality and flexibility are also explored and the close bond between the picturebook and its readers is analyzed Advances in our understanding of how visual images are organized are examined and the book concludes with an attempt to redescribe the picturebook in such a way that pictures readers and text may be drawn together *Picturing Text* will be of interest to students teachers and researchers interested in reading children's literature and media studies

Hänsel and Gretel Engelbert Humperdinck, 1927 *From Difference to Disadvantage* Áine Cregan, 2008 [Aesthetic Approaches to Children's Literature](#) Maria Nikolajeva, 2005-05-12 As undergraduate and graduate courses in children's literature become more established and numerous there is an intense need for a textbook that offers aesthetic rather than educational approaches to children's literature This work fills that void by providing students of children's literature with a comprehensible and easy to use analytical tool kit showing through concrete demonstration how each tool might best be used The chapters are organized around familiar and easily recognized features of literary texts e.g author genre character Theoretical issues are illustrated by specific texts from the North American children's literature canon The book explores the particular aesthetics of children's fiction and the ways critical theory may be applied to children's texts while remaining accessible to a college readership without prior specialized knowledge of literary theory Each chapter includes a short introduction to a specific theoretical approach e.g semiotics feminist psychoanalytic an example of its application to a literary text a number of activities study questions reading exercises and suggestions for further explorations

[Once Upon an Algorithm](#) Martin Erwig, 2022-08-09 This easy to follow introduction to computer science reveals how familiar stories like Hansel and Gretel Sherlock Holmes and Harry Potter illustrate the concepts and everyday relevance of computing Picture a computer scientist staring at a screen and clicking away frantically on a keyboard hacking into a system or perhaps developing an app Now delete that picture In *Once Upon an Algorithm* Martin Erwig explains computation as something that takes place beyond electronic computers and computer science as the study of systematic problem solving Erwig points out that many daily activities involve problem solving Getting up in the morning for example You get up take a shower get dressed eat breakfast This simple daily routine solves a recurring problem through a series of well defined steps In computer

science such a routine is called an algorithm Erwig illustrates a series of concepts in computing with examples from daily life and familiar stories Hansel and Gretel for example execute an algorithm to get home from the forest The movie Groundhog Day illustrates the problem of unsolvability Sherlock Holmes manipulates data structures when solving a crime the magic in Harry Potter's world is understood through types and abstraction and Indiana Jones demonstrates the complexity of searching Along the way Erwig also discusses representations and different ways to organize data intractable problems language syntax and ambiguity control structures loops and the halting problem different forms of recursion and rules for finding errors in algorithms This engaging book explains computation accessibly and shows its relevance to daily life

Something to think about next time we execute the algorithm of getting up in the morning *Grimm Pictures* Walter Rankin, 2007-09-14 Though Grimm's Fairy Tales was published about 200 years ago the revered collection of folk stories remains one of the most iconic pieces of children's literature and has had significant influence in modern pop culture This work examines the many ways that recent films have employed archetypal images themes symbols and structural elements that originated in the most well known Grimm fairy tales The author draws similarities between the cannibalistic symbolism of the Grimm brothers Little Red Cap and the 1991 film The Silence of the Lambs and reveals Faustian parallels between Rumpelstiltskin and the 1968 film Rosemary's Baby Each of eight chapters reveals a similar pairing and film stills and illustrations are featured throughout the work *PC Mag*, 1996-02-06 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Storytime** Lawrence R. Sipe, 2008 The author draws on his own extensive research in urban classrooms to present a grounded theoretical model of young children's understanding of picture storybooks Advancing a much broader and deeper theory of literary understanding the author suggests that children respond in five different ways during picture storybook readalouds that these responses reveal that children are engaged in five different types of literary meaning making and that these five types of meaning making are instantiations of five foundational aspects of literary understanding **Moving Critical Literacies Forward** Jessica Pandya, Julianna Ávila, 2013-11-26 Taking the pulse of current efforts to do and in some cases undo critical literacy this volume explores and critiques its implementation in learning contexts around the globe An impressive set of international authors offer examples of productive critical literacy practices in and out of schools address the tensions and gaps between these practices and educational policies and attempt to forecast the future for critical literacy as a movement in the changing global educational policy landscape This collection is unique in presenting the recent work of luminaries such as Allan Luke and Hilary Janks alongside relative newcomers who use innovative approaches and arguments to reinvigorate and redefine critical practice It is time for this cutting edge inquiry into the state of critical literacy not only because it is a complex and ever evolving field but perhaps more important because it offers a reaction to and powerful reworking of standardization and

high stakes accountability measures in educational contexts around the globe *Motion Picture Herald* ,1926 **American Photography** Frank Roy Fraprie,1929 **Midnight Cowboy** James Kendrick,2024-10-03 John Schlesinger s 1969 drama

Midnight Cowboy follows the story of na ve would be hustler Joe Buck Jon Voight and ailing con man Ratso Rizzo Dustin Hoffman set against the gritty backdrop of New York City in the late 1960s The film received widespread critical acclaim upon its release becoming the only X rated film to the win the Academy Award for Best Picture James Kendrick argues that this film more so than its notable contemporaries captures the immense turmoil change and revolution that was taking place both in Hollywood and in the larger American culture of the late 1960s He explores the film s production reception visual and thematic innovation and cultural impact not only its ground breaking portrayal of sexuality and relationships but also its exploration of themes of urban loneliness and socio economic disparity Through close analysis of the film and examination of articles press reports interviews and reviews from the five decades following its release Kendrick shows how Midnight Cowboy with its mix of visual poetry documentary like realism fragmentary flashbacks and unvarnished depiction of desperate characters on the fringes of society offers a unique focal point for the intersection of European art cinema and the new parameters of mainstream Hollywood at the end of the classic era Curriculum Mapping Kathy Tuchman Glass,2006-12-07 Offers a new approach and is a valuable addition to the body of literature on curriculum mapping
