**Swinging with Safety** Robert Adler, 2018-05-03 *Swinging with Safety* is a comprehensive guide to the history behavioral etiquette common stumbling

blocks and lifestyle norms of the swinging subculture Written by the co founder of one of the most popular and far reaching lifestyle clubs in the United States Robert Adler records his observations and ruminations in this remarkable text Contrary to common belief and portrayals in the media swinging is not sexual anarchy and is in fact based upon respect personal boundaries and the rule of No Only when the word No is unquestionably respected can a person or couple feel comfortable saying Yes The author makes keen distinctions between the couple s sport of swinging and other common alternative lifestyles such as open relationships polyamory and threesomes This text covers not only the evolution of modern day swinging but also contains insights into the psychological reasons for swinging into the protective benefits it offers to committed couples and contains chapters going in depth into the issues of jealousy morality fear and self esteem In the 1970s Robert and his wife Nancy began their exploration into non monogamous sexual sharing in a small community in Costa Rica Upon moving to Florida in 1981 and wanting to continue their explorations they found countless couples who were interested in partner sharing but who lived in a dearth of information of how to navigate it After making an offhanded joke one day that they really should teach a class in swinging Robert and Nancy held their first seminar And then another and another until it grew into a community composed entirely of committed couples looking to explore recreational sex Each and every one of the 200 active couples had completed the seminar and were held to a set standard of behavior including universal respect and the rule of No These behavioral standards worked and as the members moved away the standards spread to now form the basis of the American swingers subculture It was Adler who first realized that in order to be self sustaining swingers had to move to a more matriarchal mindset rather than the patriarchal wife swapping out of which the lifestyle evolved Unfortunately Robert Adler passed away in 1993 before completing his work To honor his memory his loving widow Nancy has compiled this book from his writings and presents it here now in hopes of guiding and educating new couples on the structure and cultural norms of this alternative lifestyle Whether you are a monogamous couple interested but unsure about swinging an experienced swinger looking for tips on throwing your first house party or an academic researcher interested in first hand accounts and insights into alternative forms of sexuality this book is the one for you *Give Me a Break* John Stossel,2009-03-17 Immensely thought provoking Emmy Award winning TV presenter John Stossel s *Give Me a Break* exposes the hypocrisy and corruption of the U S government Working as a correspondent for 20/20 and Good Morning America John Stossel confronted dozens of scam artists from hacks who worked out of their basements to some of America s most powerful executives and leading politicians His efforts shut down countless crooks both famous and obscure Then he realized what the real problem was In *Give Me a Break* Stossel takes on the regulators lawyers and politicians who thrive on our hysteria about risk and deceive the public in the name of safety Drawing on his vast professional experience as well as some personal ones Stossel presents an engaging witty and thought provoking argument about the beneficial powers of the free market and free speech Powerful well argued Booklist *The Swinging Paradigm* Edward M. Fernandes,2009 The
