Losing Our Minds Deborah L. Ruf,2005 Wouldn t it be a disgrace if we lost the brightest students now attending our nation s schools Dr Deborah L Ruf establishes that there are far more highly gifted children than previously imagined yet large numbers of very bright children are never discovered by their schools Using 78 gifted and highly gifted children as her examples she illustrates five levels of giftedness Parents will be able to estimate which of the five levels of giftedness their

child fits by comparing their own child's developmental milestones to those of the children described in the book. This book contains practical advice for parents including how to find a school that works for your child. Book jacket
