Farther Along The Route by Ignatius Fay, 2013-03-05. This volume constitutes the continuation of the non-autobiography *Points In Between*. You haven't read it. Do so now. Go. We'll wait for you. This series of brief anecdotes documents the author's life from 1973, the year of his marriage, to the present. They relate the birth of his two daughters, graduate school, the failure of his health and his marriage, his struggle to stay alive and secure a stable environment in which to raise his daughters as a single parent, and his effort to become a contributing member of society once more. Read these inspiring stories and laugh, cry, scream with outrage, and ultimately bask in the glow of satisfaction. Rarely does a book make you so angry yet so happy. **Lessons for the Social Studies Classroom** by M. Lazarus, S. Cohen, K. Lambert, R. E., 2013-03-12. The idea for this book came while I was observing a student teacher and a master teacher. I realized that most student teachers, while in training, do not have the opportunity to think creatively about their lessons. I also noticed that teachers new to the field of teaching suffer

the same fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are one of the most important tools for a teacher and more important for the novice teacher I believe that during student teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans improving upon them and making them their own Most first year teachers over teach or under teach and both types still miss the marks on the standardized test These lesson plans will give the new teacher a place to begin
