City of Champions Stefan Szymanski, Silke-Maria Weineck, 2020-10-13 The changing fortunes of Detroit told through the lens of the city's major sporting events by the bestselling author of *Soccernomics* and a prizewinning cultural critic From Ty Cobb and Hank Greenberg to the Bad Boys from Joe Louis and Gordie Howe to the Malice at the Palace *City of Champions* explores the history of Detroit through the stories of its most gifted athletes and most celebrated teams linking iconic events in the history of Motown sports to the city's shifting fortunes In an era when many teams have left rustbelt cities to relocate elsewhere Detroit has held on to its franchises and there is currently great hope in the revival of the city focused on its downtown sports complexes but to whose benefit Szymanski and Weineck show how the fate of the teams in Detroit's stadiums gyms and fields is echoed in the rise and fall of the car industry political upheavals ushered in by the depression World War II the 1967 uprising and its recent bankruptcy and renewal Driven by the conviction that sports not only mirror society but also have a special power to create both community and enduring narratives that help define a city's sense of self *City of Champions* is a unique history of the most American of cities
