

FROM HOSPITALITY TO GRACE

A Julian Pitt-Rivers Omnibus

Edited by Giovanni da Col and Andrew Shryock

Julian Pitt Rivers Honour

John Iliffe

Julian Pitt Rivers Honour:

Honor Frank Henderson Stewart, 1994 What is honor Is it the same as reputation Or is it rather a sentiment Is it a character trait like integrity Or is it simply a concept too vague or incoherent to be fully analyzed In the first sustained comparative analysis of this elusive notion Frank Stewart writes that none of these ideas is correct Drawing on information about Western ideas of honor from sources as diverse as medieval Arthurian romances Spanish dramas of the sixteenth and seventeenth centuries and the writings of German jurists of the nineteenth and twentieth centuries and comparing the European ideas with the ideas of a non Western society the Bedouin Stewart argues that honor must be understood as a right basically a right to respect He shows that by understanding honor this way we can resolve some of the paradoxes that have long troubled scholars and can make sense of certain institutions for instance the medieval European pledge of honor that have not hitherto been properly understood Offering a powerful new way to understand this complex notion Honor has important implications not only for the social sciences but also for the whole history of European sensibility

Honor and Grace in Anthropology John George Peristiany, J. G. Peristiany, Julian Pitt-Rivers, 2005-02-17 This collection of essays develops a line of thought in anthropology which was opened in the 1960s by the editors and some of the same contributors in *Honor and Shame The Values of a Mediterranean Society* The essays half of them historical and half contemporary deal with different aspects of honour and grace and the strategies and transactions by which they can be obtained

By Honor Bound Nancy Shields Kollmann, 2016-11-01 In the sixteenth and seventeenth centuries Russians from all ranks of society were bound together by a culture of honor Here one of the foremost scholars of early modern Russia explores the intricate and highly stylized codes that made up this culture Nancy Shields Kollmann describes how these codes were manipulated to construct identity and enforce social norms and also to defend against insults to pursue vendettas and to unsettle communities She offers evidence for a new view of the relationship of state and society in the Russian empire and her richly comparative approach enhances knowledge of statebuilding in premodern Europe By presenting Muscovite state and society in the context of medieval and early modern Europe she exposes similarities that blur long standing distinctions between Russian and European history Through the prism of honor Kollmann examines the interaction of the Russian state and its people in regulating social relations and defining an individual's rank She finds vital information in a collection of transcripts of legal suits brought by elites and peasants alike to avenge insult to honor The cases make clear the conservative role honor played in society as well as the ability of men and women to employ this body of ideas to address their relations with one another and with the state Kollmann demonstrates that the grand princes and later the tsars tolerated a surprising degree of local autonomy throughout their rapidly expanding realm Her work marks a stark contrast with traditional Russian historiography which exaggerates the power of the state and downplays the volition of society

[Honour, Violence and Emotions in History](#) Carolyn Strange, Robert Cribb, Christopher E. Forth, 2014-04-10 *Honour Violence and Emotions in History*

is the first book to draw on emerging cross disciplinary scholarship on the study of emotions to analyse the history of honour and violence across a broad range of cultures and regions Written by leading cultural and social historians from around the world the book considers how emotions particularly shame anger disgust jealousy despair and fear have been provoked and expressed through culturally embedded and historically specific understandings of honour The collection explores a range of contexts from 17th century China to 18th century South Africa and 20th century Europe offering a broad and wide ranging analysis of the interrelationships between honour violence and emotions in history This ground breaking book will be of interest to all researchers studying the relationship between violence and the emotions

The Faces of Honor Lyman L. Johnson, Sonya Lipsett-Rivera, 1998-08 Honor was everywhere in Colonial Latin America and to understand the many ways it had an impact on people's lives is to understand the organizing principles of a society

Across the Great Divide Matthew Basso, Laura McCall, Dee Garceau, 2013-10-18 In *Across the Great Divide* some of our leading historians look to both the history of masculinity in the West and to the ways that this experience has been represented in movies popular music dime store novels and folklore

Honour in African History John Iliffe, 2005 This is the first published account of the role played by ideas of honour in African history from the fourteenth century to the present day It argues that appreciation of these ideas is essential to an understanding of past and present African behaviour Before European conquest many African men cultivated heroic honour others admired the civic virtues of the patriarchal householder and women honoured one another for industry endurance and devotion to their families These values both conflicted and blended with Islamic and Christian teachings Colonial conquest fragmented heroic cultures but inherited ideas of honour found new expression in regimental loyalty respectability professionalism working class masculinity the changing gender relationships of the colonial order and the nationalist movements which overthrew that order Today the same inherited notions obstruct democracy inspire resistance to tyranny and motivate the defence of dignity in the face of AIDS

Honor and Shame in Early China Mark Edward Lewis, 2020-12-10 Lewis sheds new light on the early Chinese empires through an ambitious examination of evolving ideas about honor and shame

Honor: A Phenomenology Robert L. Oprisko, 2012-07-26 Honor is misunderstood in the social sciences The literature lacks both accuracy and precision in its conceptual development such that we no longer say what we mean because we have no idea what we're saying We use many terms to mean honor and mean many different ideas when we refer to honor *Honor: A Phenomenology* is designed to fix all of these problems A ground breaking examination of honor as a metaphenomenon this book incorporates various structures of social control including prestige face shame and affiliated honor and the rejection of said structures by dignified individuals and groups It shows honor to be a concept that encompasses a number of processes that operate together in order to structure society Honor is how we are inscribed with social value by others and the means by which we inscribe others with social honor Because it is the means by which individuals fit in and function with society the main divisions internal within the psyche of the individual and external within

the norms and institutions of society Honor is the glue that holds groups together and the wedge that forces them apart it defines who is us and who them It accounts for the continuity and change in socio political systems

Honor and Personhood in Early Modern Mexico Osvaldo F. Pardo, 2015-09-24 Osvaldo F Pardo examines the early dissemination of European views on law and justice among Mexico's native peoples Newly arrived from Spain in the sixteenth and seventeenth centuries mendicant friars brought not only their faith in the authority of the Catholic Church but also their reverence of the monarchy Drawing on a rich range of documents dating from this era including secular and ecclesiastical legislation legal and religious treatises bilingual catechisms grammars on indigenous languages historical accounts and official reports and correspondence Pardo finds that honor as well as related notions such as reputation came to play a central role in shaping the lives and social relations of colonists and indigenous Mexicans alike Following the application and adaptation of European ideas of justice and royal and religious power as they took hold in the New World Pardo sheds light on the formation of colonial legalities and long lasting views both secular and sacred that still inform attitudes toward authority in contemporary Mexican society

The Field of Honor John Mayfield, Todd Hagstette, 2017-02-17 Current research on the history and evolution of moral standards and their role in Southern society For more than thirty years the study of honor has been fundamental to understanding southern culture and history Defined chiefly as reputation or public esteem honor penetrated virtually every aspect of southern ethics and behavior including race gender law education religion and violence In *The Field of Honor: Essays on Southern Character and American Identity* editors John Mayfield and Todd Hagstette bring together new research by twenty emerging and established scholars who study the varied practices and principles of honor in its American context across an array of academic disciplines Following pathbreaking works by Bertram Wyatt Brown Dickson D Bruce and Edward L Ayers this collection notes that honor became a distinctive mark of southern culture and something that alongside slavery set the South distinctly off from the rest of the United States This anthology brings together the work of a variety of writers who collectively explore both honor's range and its limitations revealing a South largely divided between the demands of honor and the challenges of an emerging market culture one common to the United States at large They do so by methodologically examining legal studies market behaviors gender violence and religious and literary expressions Honor emerges here as a tool used to negotiate modernity's challenges rather than as a rigid tradition and set of assumptions codified in unyielding rules and rhetoric Some topics are traditional for the study of honor some are new but all explore the question how different really is the South from America writ large *The Field of Honor* builds an essential bridge between two distinct definitions of southern and by extension American character and identity

Honor, Politics, and the Law in Imperial Germany, 1871-1914 Ann Goldberg, 2010-04-29 Honor in nineteenth century Germany is usually thought of as an anachronistic aristocratic tradition confined to the duelling elites In this innovative study Ann Goldberg shows instead how it pervaded all aspects of German life and how during an era of rapid

modernization it was adapted and incorporated into the modern state industrial capitalism and mass politics In business state administration politics labor relations gender and racial matters Germans contested questions of honor in an explosion of defamation litigation Dr Goldberg surveys court cases newspaper reportage and parliamentary debates exploring the conflicts of daily life and the intense politicization of libel jurisprudence in an era when an authoritarian state faced off against groups and individuals from below claiming new citizenship rights around a democratized notion of honor and law Her fascinating account provides a nuanced and important understanding of the political legal and social history of imperial Germany

Prisoners of War and Military Honour, 1789-1918 Jasper Heinzen, 2025-01-03 Early in the modern period prisoners of war with the rank of officer or equivalent had the right to petition for parole By effectively pawning their personal honour they were able to purchase freedom of movement and other privileges in captivity Increasingly other ranks and civilians claimed a right to parole too Based on material from close to thirty Australian British Dutch French German and Swiss archives Jasper Heinzen investigates the role and implications of honour based agreements between prisoners of war and their captors in western European warfare Across a range of ego documents ministerial memoranda the minutes of Masonic lodges and prisoners petitions as well as a substantial body of published material he demonstrates how captives statesmen and humanitarians understood honour in the long nineteenth century how they negotiated national differences and why parole d'honneur continued to matter as a code of conduct into the First World War In so doing the book demonstrates the dichotomy between good codes of conduct prevalent in the eighteenth century and the practices of modern warfare perpetuated by a substantial amount of scholarship to be a false one Explaining the longevity of parole in this novel way raises important questions about the so called military Enlightenment the excesses of the world wars total war and the practices and codes of modern warfare

Shame and Guilt in Chaucer Anne McTaggart, 2012-09-14 Explores the representation of emotions as psychological concepts and cultural constructs in Geoffrey Chaucer's narrative poetry McTaggart argues that Chaucer's main works including The Canterbury Tales are united thematically in their positive view of guilt and in their anxiety about the desire for sacrifice and vengeance that shame can provoke

Performing Disunion Lawrence T. McDonnell, 2018-06-21 This book traces how and why the secession of the South during the American Civil War was accomplished at ground level through the actions of ordinary men Adopting a micro historical approach Lawrence T McDonnell works to connect small events in new ways he places one company of the secessionist Minutemen in historical context exploring the political and cultural dynamics of their choices Every chapter presents little known characters whose lives and decisions were crucial to the history of Southern disunion McDonnell asks readers to consider the past with fresh eyes analyzing the structure and dynamics of social networks and social movements He presents the dissolution of the Union through new events actors issues and ideas illuminating the social contradictions that cast the South's most conservative city as the radical heart of Dixie

Sacrificing the Self Margaret Cormack, 2002-07-18 Acts of martyrdom have been found in

nearly all the world's major religious traditions. Though considered by devotees to be perhaps the most potent expression of religious faith, dying for one's God is also one of the most difficult concepts for modern observers of religion to understand. This is especially true in the West where martyrdom has all but disappeared and martyrs in other cultures are often viewed skeptically and dismissed as fanatics. This book seeks to foster a greater understanding of these acts of religious devotion by explaining how martyrdom has historically been viewed in the world's major religions. It provides the first sustained cross-cultural examination of this fascinating aspect of religious life. Margaret Cormack begins with an introduction that sets out a definition of martyrdom that serves as the point of departure for the rest of the volume. Then scholars of Christianity, Judaism, Hinduism, and Islam examine martyrdom in specific religious cultures. Spanning 4000 years of history and ranging from Saul in the Hebrew Bible to Sati immolations in present-day India, this book provides a wealth of insight into an often noted but rarely understood cultural phenomenon.

Norms of Faith and Life Everett Ferguson, 1999. First published in 1999.

Routledge is an imprint of Taylor & Francis, an informal company.

Kings, Knights and Bankers Richard Kaeuper, Christopher Guyol, 2015-10-20. In *Kings, Knights and Bankers*, Richard Kaeuper presents a lifetime of medieval research on Italian financiers, English kingship, chivalric violence, and knightly piety. His foundational work on public finance connects Italian merchant banking with the growth of state power at the turn of the fourteenth century. Subsequent articles on law and order offer measured contributions to the continuing debate over the growth of governance and its relationship with contemporary disorder. He also convincingly proves that knights, the foremost military professionals of the medieval world, considered their prowess as both a source of honor and of sanctification. All interested in the history of medieval chivalry, governance, piety, and public finance can learn from this impressive collection of articles.

Paul's Financial Policy David E. Briones, 2014-01-16. This book attempts to prove the consistent nature of Paul's financial policy by drawing from his social environment and theological convictions to tease out a three-way relational pattern with God as the source of all possessions. This three-way relational framework not only dictates Paul's decision to accept or reject finances from his churches but also directly challenges long-standing claims made about Paul's financial policy. After outlining the various approaches that scholars have taken to make sense of Paul's seemingly inconsistent financial policy, this book provides a close exegetical analysis of relevant passages in Philippians, 1 Corinthians, and 2 Corinthians in order to unearth a three-way relational pattern found in Philippians but that is absent from the Corinthian Correspondence. In Paul's positive gift-exchange relationship with the Philippians, God is acknowledged as the source of all possessions, whereas the Corinthians are criticized for striving after two-way exchanges that result in honor, power, and prestige. After this is demonstrated, a socio-theological reason for Paul's refusal of Corinthian gifts is propounded: Paul refused Corinthian support not because they desired to patronize him as a dependent client but because they sought to be under Paul as their superior, an act that neglected God as the superior source of all gifts in the divine economy. Paul therefore refuses their support to avoid two-way relationships of

gift so prevalent in ancient society and to underscore the source of the gift of the gospel the one from whom and through whom and to whom are all things God **Muslim traders, Songhay warriors and the Arma** Holst, Christian, 2016 This book looks into the interplay between different social groups that existed on the Middle Niger Bend between 1549 to 1660 The groups mainly under scrutiny are Muslim traders and scholars the Ulema and the worldly lords that ran the polities that had laid claim to the region of the Middle Niger Bend first the Askayas then the Arma The changing relationships between these different groups and of individuals within them are analysed within the wider historical background of the rise and fall of the Songhay Empire and the subsequent takeover of the region by the Moroccan Arma that had conquered the heart of the Middle Niger Bend in 1591 This work explores the interaction between the groups through the framework of honour religion and ancestry and traces the initially successful cooperation between rulers traders and scholars to its breakdown and the final social disintegration of the Middle Niger Bend

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Julian Pitt Rivers Honour**

In a world inundated with displays and the cacophony of instantaneous communication, the profound energy and emotional resonance of verbal artistry frequently diminish into obscurity, eclipsed by the constant onslaught of noise and distractions. However, set within the lyrical pages of **Julian Pitt Rivers Honour**, a interesting work of literary splendor that impulses with natural emotions, lies an unforgettable journey waiting to be embarked upon. Published with a virtuoso wordsmith, that enchanting opus courses visitors on a psychological odyssey, gently revealing the latent potential and profound influence stuck within the delicate web of language. Within the heart-wrenching expanse of the evocative examination, we will embark upon an introspective exploration of the book is main subjects, dissect their fascinating publishing type, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Julian Pitt Rivers Honour Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Julian Pitt Rivers Honour free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Julian Pitt Rivers Honour free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Julian Pitt Rivers Honour free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Julian Pitt Rivers Honour. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Julian Pitt Rivers Honour any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Julian Pitt Rivers Honour Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Julian Pitt Rivers Honour is one of the best books in our library for free trial. We provide copy of Julian Pitt Rivers Honour in digital format, so the resources that you find are reliable. There are also many eBooks of related with Julian Pitt Rivers Honour. Where to download Julian Pitt Rivers Honour online for free? Are you looking for Julian Pitt Rivers Honour PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Julian Pitt Rivers Honour. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Julian Pitt Rivers

Honour are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Julian Pitt Rivers Honour. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Julian Pitt Rivers Honour To get started finding Julian Pitt Rivers Honour, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Julian Pitt Rivers Honour So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Julian Pitt Rivers Honour. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Julian Pitt Rivers Honour, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Julian Pitt Rivers Honour is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Julian Pitt Rivers Honour is universally compatible with any devices to read.
