Parco and Levy not only offer a comprehensive treatment of DADT but their book will stand the test of time and spur additional important research about gay lesbian bisexual and queer service members The Rise and Fall of DADT is accessibly written and offers readers a comprehensive understanding of the DADT federal policy and the attendant issues of equity social justice and ever changing attitudes about LGBTQ people related to the U S military and to the larger American society John P Elia Ph D Editor in Chief Journal of Homosexuality and Professor and Associate Chair of Health Education at San Francisco State University USA As Assistant Secretary of Defense for Public Affairs from 2010 to 2012 and the first openly gay senior official to serve at the Pentagon I was witness to and honored to be an active participant in the historic process that led to the ban on discrimination against lesbian and gay service members men and women who had been hiding in plain sight while risking their lives to serve their country honorably In this volume Jim Parco and Dave Levy provide what is perhaps the most comprehensive account to date of the evolution of US government policy regarding LGBT service members Their study includes outstanding firsthand narratives by many friends who played central roles in the repeal of Don't Ask Don't Tell including Sue Fulton Jonathan Lee and former Congressman Patrick Murphy Parco and Levy provide the opportunity for scholars experts and ordinary citizens from all walks of life to share in those journeys and in the very positive results that were achieved Douglas B Wilson former Assistant Secretary of Defense for the United States
