Manual is one unit of a series on agricultural wheel type tractors Contained in it are the necessary specifications and the
brief but terse procedural data needed by a mechanic when repairing a tractor on which he has had no previous actual
experience The material is arranged in a systematic order beginning with an index which is followed immediately by a Table
of Condensed Service Specifications These specifications include dimensions fits clearances and timing instructions Next in
order of arrangement is the procedures section In the procedures section the order of presentation starts with the front axle
system and steering and proceeds toward the rear axle The last portion of the procedures section is devoted to the power
take off and power lift systems Interspersed where needed in this section are additional tabular specifications pertaining to
wear limits torquing etc **John Deere Shop Manual 2750 2755 2855&2955** Penton Staff, 2000-05-24 Diesel Models
