Fire Engines Eddie Baker, 2018-08-23 More complex and imposing than any other vehicle in the British emergency services the fire engine has a long and interesting history The earliest water pumps had been developed by the eighteenth century basic manual pumps that had to be hauled around by people or horses and were often only used on fire insured premises In the nineteenth and twentieth centuries horse drawn steam powered fire engines and eventually motorised fire engines came to revolutionise firefighting offering far greater versatility and the brigades came to be run by the municipalities In this beautifully illustrated introduction Eddie

Baker charts the history of fire engines and their variants and the increasingly complex equipment they have carried such as high rise ladders and high pressure hoses He also explains the wider history of the fire service and how the engines have been shaped by its needs and most importantly those of the firefighters themselves Motor Industry Magazine ,2006-07

The A to Z of Modern Italy Mark Gilbert,Robert K. Nilsson,2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy s natural beauty and cuisine are rightly renowned Italy s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814 15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The A to Z of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture **Union Review** ,1994 **Daily Graphic** Sam Clegg,1992-08-22 Pb ... ,
