

FLATLAND

A Romance of Many Dimensions

Edwin A. Abbot

The background of the cover is a dramatic, painterly illustration of a landscape. In the foreground, there are dark, jagged, rock-like formations rising from a body of water. The water reflects the light from the sky. In the background, there are more distant, hazy mountains. The sky is filled with large, billowing clouds, and a bright, glowing sun or moon is partially obscured by the clouds, creating a strong lens flare effect. A large, thin, crescent-shaped object, possibly a moon or a planet, is visible in the upper right corner of the sky. The overall color palette is dominated by warm tones like orange, yellow, and red, with some cooler blues and greys in the shadows and the water.
