Management with Online Study Tools 12 Months Danny Samson, Timothy Donnet, Richard L. Daft, 2017-10-25 Samson Daft Donnet's Management is a robust foundation text providing a balance of broad theoretical content with an engaging easy to understand writing style. It covers the four key management functions: planning, organising, leading, and controlling, conveying to students the elements of a manager's working day. Along with current management theory and practice, the authors integrate coverage of innovation, entrepreneurship, agile workplaces, social media, and new technology throughout. This sixth edition features a new author on the team and contains updates to content based on recent research. Real-life local and international examples showcase the ongoing changes in the management world. Focusing on a skills approach, they bring concepts to life for students, supporting motivation, confidence, and mastery. Each part concludes with a contemporary continuing case study focusing on car company Toyota as it faces managerial challenges and opportunities in the region.
