

Emergency Department Coding Policy

Strategic planning is a process that involves setting a vision, identifying key goals, and developing a plan of action to achieve those goals. It is a systematic approach to determining the organization's future and how to get there. Strategic planning is a continuous process that involves regular review and adjustment. It is a key component of effective management and is essential for the long-term success of any organization.

The difference in the way that you conceptualized the pairing (highlighting just one characteristic instead of three) is an example of an *extension* and illustrates another relationship.

Other important areas include electronic journals, Internet and off-line databases and linking and reporting facilities, the library's "mass" e-mail service, and general guidelines apply to all e-library linking systems. The completed system will be a part of the library's e-library and will be a benefit to the library's e-library service.
