Shattered Souls Emily Huffman,2022-03-04 Blaine always dreamed of being a hero and would do anything to see that dream come true Working to help free the Forgehearts from a life of slavery and servitude he thinks he s on the right path But when a monster from his nightmares begins hunting him and his companions Blaine s life is turned upside down and he questions if he will ever become the hero he aspires to be Pursued by people he thought he could trust and the Shard a dark creature summoned from another world Blaine and his friends go searching for answers Trying to uncover secrets of the Shard they uncover truths about themselves the world and the gods that puts their entire world in danger Shattered Souls Stephanie Bates,2011-09 Some say Haunted Others say cursed The less believing say coincidence Rumor has it that it is a place of Fairies Not the ones that are covered in glitter and grant wishes but the ones that steal babies and have a taste for blood Years ago a girl disappeared in those woods As far as I know she was never found Even before the girl disappeared there was always something different about them I ve never dared to go past the first tree I wanted to Something always seemed to pull me to them daring me to enter Fear always won in the end But I m not a little girl anymore and fear of trees is ridiculous Or so I tell myself For the last five years I promised I would defeat that fear This year I m making the same empty promise Only this time I m not alone and discovering find what there is to fear A few steps in is just enough to shatter Missy s world For so long now she has felt something has been missing No one ever told her that she had been born without her full soul Or that she is more than what lies beyond simple stories Any girl in her place would long for normalcy but in order to survive she might have to leave all she believes behind Good isn t always virtuous and evil can be your best friend The battle is one that has carried on for centuries Missy finds that she alone is the key and death may be the only way to save herself
