Essentials Of Understanding Psychology 10th Edition:

Essentials of Understanding Psychology Robert S. Feldman, 2006-11 Students First *Essentials of Understanding Psychology* is written around the philosophy that an effective textbook must be oriented to students informing them engaging them exciting them about the field and expanding their intellectual capabilities because when students understand psychology they learn psychology No matter what brings students into the introductory course and regardless of their initial motivation *Essentials of Understanding Psychology* Seventh Edition draws students into the field and stimulates their thinking This revision integrates a variety of elements that foster students understanding of psychology and its impact on their everyday lives It also provides instructors with a fully integrated supplements package to objectively gauge their students mastery of psychology s key principles and concepts and to create dynamic lectures *Essentials of Understanding Psychology with Connect Plus* Feldman, 2012-12 Your students are individuals Do your teaching materials treat them that way Feldman s *Essentials of Understanding Psychology* does Using a revolutionary revision process Bob Feldman s *Essentials of Understanding Psychology* is a fully integrated learning system that gives students an even greater opportunity to achieve success and brings the Students First goal to a new level Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective The Tenth Edition is the first revision based on eoeHeatMap e technology in which cystematic and precise feedback from thousands of students was anonymously measured using LearnSmart the adaptive learning diagnostic Because virtually every paragraph in the previous edition is tied to several questions students answer in LearnSmart Bob was able to see where students struggled most e the eoehot spots e e and in turn refine and update these areas to be more clear more concise and more impactful The 10th edition continues Bob Feldman s accessible pedagogy and hallmark research as well as his modules within chapters format that is both manageable for students and allows every professor the flexibility to assign and cover what they want The 4 additional modules in CREATE give instructors even extra flexibility to completely cater their text to their course and their students **Essentials of Understanding Psychology** Robert Feldman, 2012-10-25 Your students are individuals Do your teaching materials treat them that way Feldman s *Essentials of Understanding Psychology* does Using a revolutionary revision process Bob Feldman s *Essentials of Understanding Psychology* is a fully integrated learning system that gives students an even greater opportunity to achieve success and brings the Students First goal to a new level With an adaptive learning system that provides an individualized learning environment and helps students identify what they know and more importantly what they don t every student has a unique experience refined to their needs The thoroughly revised Tenth Edition is a first of its kind revised using HeatMap technology in which systematic and precise feedback from thousands of students was anonymously measured using LearnSmart the adaptive learning diagnostic Because virtually every paragraph in the previous edition is tied to several

questions students answer in LearnSmart Bob was able to see where students struggled most the hot spots and in turn refine and update these areas to be more clear more concise and more impactful The 10th edition continues Bob Feldman s accessible pedagogy and hallmark research as well as his modules within chapters format that is both manageable for students and allows every professor the flexibility to assign and cover what they want The 4 additional modules in CREATE give instructors even extra flexibility to completely cater their text to their course and their students
