Relentless Bailey Bradford, 2025-08-04 One regret One relentless mate Fate won't let him run forever Zane Mitchell has spent his life following the rules of his pack even when it meant turning his back on a friend As alpha of the Gila National Forest shifters he bowed to the elders' demands banishing a packmate for being gay Now that choice haunts him When Zane is summoned to a mandatory meeting with the Dux Ducis the dominant leader of the Southwest packs his world shatters Aidan Criswell isn't just the most powerful alpha he's ever met He's also Zane's fated mate But destiny isn't always easy Aidan is shocked to discover his mate is the very man he's been ordered to investigate a leader who once cast out one of his own for simply being who he is Zane knows he doesn't deserve a mate like Aidan and running seems like the only option But Aidan isn't one to back down and he's ready to claim what fate has given him The past can't be rewritten but redemption is within reach if Zane is willing to fight for it Note This expanded edition of *Relentless* has been revised in first person present tense for a richer more immersive experience 5 STAR REVIEWS

Relentless the second book in the Southwestern Shifters series packs a very hard punch in the best possible way while delivering a scorching romance I was enthralled from the beginning and loved reading the book Just as good as the first book The story continues and you feel like you are still reading the first book as the flow from first to second is flawless Can't wait for the third book to come out and it will be just as good Tropes in *Relentless* by Bailey Bradford
