

News Analysis

Why is this important?

Misinterpretation of quotations found in the media is not uncommon. In order for you to make the best use of the information given to you in the workplace, you have to be a savvy enough reader to find the data you need and then understand the intention behind it correctly.

What are we assessing?

This question examines your ability to find and understand information quickly. Since you only have a limited amount of time on the test, you must read and absorb the passage quickly so that you can find easily the answers you're looking for later. This question asks you to focus on LaVorgna's comment ("stronger consumption") and recognize the synonymous language of the correct answer choice ("increased consumer spending").

Why is this relevant to employers?

As the amount of information in the world increases exponentially, reading rapidly and accurately is becoming more and more important. In the finance world in particular, decisions are made based on comprehensive research of all available sources. Interpreting these sources correctly is essential to success.
