Feeding The Inner Man:

Feeding the Inner-Man Ralph J. McIntyre, 2009-12 We are swiftly moving into the final days of the end time and it is alarming to hear people referring to our great nation as A New Religious America Patrick Henry stated It cannot be emphasized too strongly or too often that this great nation of America was founded not by religionists but by Christians not on religions but on the Gospel of Jesus Christ In God We Trust is our national motto This motto was adopted due to the fact that Christian men and women on Christian principles founded this nation ALL CHRISTIAN BELIEVERS you are important and your voice needs to be heard NOW in a world that has plunged into the dark night of sin The Christian that wants to learn more with clarity and accuracy what the Bible says concerning the churches responsibility in the last days on Planet Earth and the Second Coming of Christ will appreciate this book Dr Ralph J McIntyre is a World War Two combat veteran who has witnessed first hand some of the sacrifice that has been paid in protecting and preserving our great Christian nation America After his war days Ralph met and married his wife Frances in 1946 In 1953 their lives found new directions as they surrendered to a call of God After a period of studies he was ordained into the ministry He has founded two different churches served on the district board of his organization eight years as presbyter and one year as secretary treasurer In 1974 he was elected as pioneering superintendent of a newly formed district a position he filled for 14 years In May 1981 he graduated from Drew University in Madison New Jersey receiving the degree of Doctor of Ministry Ralph and Frances have two grown children four grandchildren and seven great grandchildren

Putting Meaning Into Your Moments Robert Hoff, 2022-11-03 God bless the churches that hear the truth obey the truth and teach the truth to others But there are some churches that seem to be competing with the world to see who can self destruct first Hoff in his book Put Meaning Into Your Moments calls them the New Age church He defines their errors as corruption and shows how their leaders are like King Saul who was afraid of the people and did what they demanded Entertainment oriented church programs are like new movies that attract people into a theater After they ve seen it a few times they lose interest Kids who were initially attracted by drums and amps are now losing interest in the church Let s just say it Liberal Christianity does not last It s a fraud The message of the cross of Jesus Christ has the power of God in it and the New Age church isn t preaching it They re just making stuff up Hoff suggests the problem is with their view of the Bible as an

inaccurate narrative of creation sin and self To them Jesus is a two thousand year old senior who knows nothing about cell phones so how could He know anything about people today It would be hard to prove this but people who used to attend church are no doubt still yearning for what they didn't find when they were there The largest church in the world would be the reassembling of these precious souls If you can imagine yourself overcoming the frustration that is currently stifling your effect on the world around you then Put Meaning Into Your Moments is your kind of book **The Wiersbe Bible Study**
