Smith, Tim

Hayslip, 2025-02-14T00:00:00Z *Thinking Systematics* TSS is conceived as a toolkit for the mind designed to improve how we think about the world analyze information and pursue our goals Smith and Hayslip make a compelling argument that individual thinking and collective decision making are being systematically constrained within limits imposed by outmoded forms of cognition and the determination of privileged elites to perpetuate an unsustainable status quo The dialectical reasoning advocated in this wide ranging book aims to overcome those limits and to allow a much more profound understanding of the human condition in the 21st century Mainstream problem solving focuses almost exclusively on scientific technological fixes on one side and moral cultural remedies on the other But to comprehend our world adequately far more serious attention must be given to the specifically social economic and political arrangements shaping our lives Once embraced by growing numbers of people TSS strategies methods and habits of thought can contribute significantly to a new common sense one adequate to meeting the immense challenges facing humanity in our era **Political Authority**

Peter Winch, 2025-07-15 Peter Winch 1926 1997 was one of the most important philosophers of his generation Although best known for his work in social science and the interpretation of Ludwig Wittgenstein he had a long standing interest in ethics and political philosophy and was writing a book on political philosophy at the time of his death This volume collects together Winch's previously unpublished manuscripts on political philosophy alongside an editorial introduction which outlines the development of his thought over the course of his life It demonstrates the originality and enduring relevance of Winch's philosophical work to perennial issues concerning the nature and justification of political authority **Improving**

Brown,Marc Lynch,Shibley Telhami,2023-03-15 The One State Reality argues that a one state reality already predominates in the territories controlled by the state of Israel The editors show that starting with the one state reality rather than hoping for a two state solution reshapes how we regard the conflict what we consider acceptable and unacceptable solutions and how we discuss difficult normative questions The One State Reality forces a reconsideration of foundational concepts such as state sovereignty and nation encourages different readings of history shifts conversation about solutions from two states to alternatives that borrow from other political contexts and provides context for confronting uncomfortable questions such as whether Israel Palestine is an apartheid state **Evaluation of World Bank Programs in Afghanistan 2002-11** The World Bank,2013-08-23 This report evaluates the outcomes of World Bank Group support to Afghanistan from 2002 11 Despite extremely difficult security conditions which deteriorated markedly after 2006 the World Bank Group has commendably established and sustained a large program of support to the country The key messages of the evaluation are While World Bank Group strategy has been highly relevant to Afghanistan s situation beginning in 2006 the strategies could have gone further in adapting ongoing programs to evolving opportunities and needs and in programming activities sufficient to achieve the objectives of the pillars in those strategies Overall Bank Group assistance has achieved substantial progress toward most of its major objectives although risks to development outcomes remain high Impressive results have been achieved in public financial management public health telecommunications and community development substantial outputs have also been achieved in primary education rural roads irrigation and microfinance all started during the initial phase Bank assistance has been critical in developing the mining sector as a potential engine of growth However progress has been limited in civil service reform agriculture urban development and private sector development The Bank Group s direct

financial assistance has been augmented effectively by analytic and advisory activities and donor coordination through the Afghanistan Reconstruction Trust Fund Knowledge services have been an important part of Bank Group support and have demonstrated the value of strategic analytical work even in areas where the Bank Group may opt out of direct project financing With the expected reduction of the international presence in 2014 sustainability of development gains remains a major risk because of capacity constraints and inadequate human resources planning on the civilian side To enhance program effectiveness the evaluation recommends that the Bank Group help the government develop a comprehensive long term human resources strategy for the civilian sectors focus on strategic analytical work in sectors that are high priorities for the government assist in the development of local government institutions and in the interim support the development of a viable system for service delivery at subnational levels assist in transforming the National Solidarity Program into a more sustainable financial and institutional model to consolidate its gains help strengthen the regulatory environment for private sector investment and scale up IFC and MIGA support to the private sector Chapter Abstracts Chapter 1 This chapter examines the country context including continuing conflict and insecurity poverty and the role of development partners and non state actors civil society and humanitarian organizations in Afghanistan It examines coming transitions in security arrangements including political and economic transitions It outlines the evaluation methods used as well as limitations Chapter 2 This chapter deals with the World Bank Group strategy and program the Bank Group s operational program portfolio performance analytic and advisory activities review the Afghanistan Reconstruction Fund and the new Interim Strategy Note as well as previous Transitional Support Strategies and ISNs Chapter 3 This chapter examines the building of state capacity and state accountability to its citizens specifically issues such as results and shortcomings in public financial management public sector governance and health and education The World Bank Group contribution is highlighted Risks to development outcomes are discussed Chapter 4 This chapter examines the issue of promoting growth in the rural economy and improving rural livelihoods including sectors such as rural roads agriculture and water The National Solidarity Program and the Bank Group s contribution to it are discussed Risks to development outcomes are noted Chapter 5 This chapter concerns support for the formal private sector examining the overall investment climate and financial sector It looks at possibilities for growth in the mining and hydrocarbons sector information and communications technology and power sectors Urban development is also examined The World Bank Group contribution is highlighted Chapter 6 This chapter provides an overall assessment relevance efficacy of the Bank Group s program in Afghanistan outlining the internal and external drivers of success knowledge services staff capacity customization of program design to country context alignment of donor objectives etc and weakness Chapter 7 This chapter outlines the lessons for fragile and conflict affected situations drawing on the specifics of the Afghanistan evaluation case Recommendations are offered in areas such as labor markets human resources strategic level analytical work vis a vis long term development strategies and strengthening of the
