

Weathering and Erosion

Short Answer Question

Middle School – Earth Science

Activity:

- Students will complete a short answer question by choosing one of the 4 images and explaining the impact of weathering and erosion.
- There is a regular and advanced version of the short answer question.

Structure:

- Students should have learned the different weathering and erosion types on Earth to be able to answer the question.
- They should be able to understand what is happening based on the types and explain it on the lines given.

Outcome:

- Students should be able to show their understanding of weathering and erosion based on the image they choose and explain. They should be able to understand past and future appearances based on weathering and erosion.
