**Contemporary Ethnic Geographies in America** Christopher A.

Airriess,2015-09-28 Ethnic diversity has marked the United States from its inception and it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people Since the 1965 Immigration and Nationality Act the United States has experienced watershed transformations in its social cultural and ethnic geographies Considering the impact of these wide ranging changes this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of the key Latin American Asian American and Middle Eastern communities comprising the vast majority of newer immigrants Each case offers a brief historical overview of the group s immigration experience and settlement patterns and discusses its contemporary socioeconomic dynamics All these communities have transformed and been transformed by the places in which they have settled Exploring these changing communities places and landscapes this book offers a nuanced understanding of the evolution of America s contemporary ethnic geographies

**Globalization in the 21st Century** B. Berberoglu,2010-04-12

This book examines the development and transformation of global capitalism in the late 20th and early 21st century It analyzes the dynamics and contradictions of the global political economy through a comparative historical approach based on class analysis After providing a critical overview of neoliberal capitalist globalization over the past three decades the book examines the emergence of new forces on the global scene and discusses the prospects of change in the global economy in a multi polar direction in the decades ahead The book concludes by focusing on the mass movements that are playing a central role in bringing about the transformation of global capitalism

**Migrants to the Metropolis** Marie Price,Lisa Benton-Short,2008-06-27

Immigration today touches the lives and economies of more people and places than ever before Yet the places that are disproportionately affected by immigrant flows are not countries but cities This remarkable collection examines contemporary global immigration trends and their profound effect on specific host cities The book focuses not only on cities with long established diverse populations such as New York Toronto and Sydney but also on less known gateway cities such as Birmingham UK Marseille and the emerging gateways of Johannesburg Washington D C and Dublin The essays gathered here provide a global portrait of accelerating worldwide immigration driven by income differentials social networks and various state policies that recruit skilled and unskilled laborers Gateway cities vary in form and function but many are hyperdiverse globally linked through transnational networks and often increasingly segregated spaces Offering penetrating analysis by the leading scholars in the

field Migrants to the Metropolis redirects the global narrative surrounding migration away from states and borders and into cities where the vast majority of economic migrants settle

**The Indian Yearbook of Comparative Law 2018** Mahendra Pal Singh, Niraj Kumar, 2019-07-10 This yearbook is a compilation of thematically arranged essays that critically analyse emerging developments issues and perspectives across different branches of law It consists of research from scholars around the world with the view that comparative study would initiate dialogue on law and legal cultures across jurisdictions The themes vary from jurisprudence of comparative law and its methodologies to intrinsic details of specific laws like memory laws The sites of the enquiries in different chapters are different legal systems recent judgements and aspects of human rights in a comparative perspective It comprises seven parts wherein the first part focuses on general themes of comparative law the second part discusses private law through a comparative lens and the third fourth and fifth parts examine aspects of public law with special focus on constitutional law human rights and economic laws The sixth part engages with criminal law and the last part of the book covers recent developments in the field of comparative law This book intends to trigger a discussion on issues of comparative law from the vantage point of Global South not only focusing on the Global North It examines legal systems of countries from far east and sub continent and presents insights on their working It encourages readers to gain a nuanced understanding of the working of law legal systems and legal cultures adding to existing deliberations on the constituents of an ideal system of law
