Reichardt, 2003-09-27 Designed for students of all ages Exploring Catholic Literature A Companion and Resource Guide provides an engaging and succinct introduction to twelve recognized masterpieces of Catholic literature from Augustine's 4th century conversion narrative The Confessions to the recent poetry of Denise Levertov collected in The Stream and the Sapphire Each chapter contains a brief biography of the author an extended critical essay highlighting the work's Catholic and literary aspects suggestions for further reading and study and questions for discussion *A Reader's Guide to the Twentieth-century Novel in Britain* Randall Stevenson, 1993-01-01 The novel is the major literary phenomenon of the twentieth century and its development in Britain since 1900 has reflected the tumultuous changes that have characterized modern society Randall Stevenson now presents an

accessible and authoritative guide to the work of the century's leading novelists as well as many of its lesser known writers. In this stimulating and wide ranging account Stevenson locates the work of individual writers from Conrad to Jeanette Winterson within an evolving literary history and the wider context of social, political and cultural change. Included are British writers working in exile and writers with origins elsewhere such as James and Rushdie who have chosen to work in Britain. Women novelists are accorded their rightful prominence. This clear and lively survey deals with a broad range of movements including modernism and postmodernism as well as the influence of other world literatures and the impact of two world wars. An ideal text, this is a guide in the best sense: concise and lucid, well informed and perceptive. Readers new to the field will appreciate Stevenson's clear direction while the experienced will be delighted by newly revealed connections and fresh perspectives.

The Works of Graham Greene Mike Hill, Jon Wise, 2013-03-14 A comprehensive reference guide to the published writings of Graham Greene, this book surveys not only Greene's literary work including his fiction, poetry and drama but also his other published writings. Accessibly organised over five central sections, the book provides the most up to date listing available of Greene's journalism, his published letters and major interviews. The Writings of Graham Greene also includes a bibliography of major secondary writings on Greene and a substantial and fully cross referenced index to aid scholars and researchers working in the field of 20th Century literature.

The Good Book - Big Book Guide Book Dick B., 2011-07-26 You don't need to leave A.A. or any other 12 Step program or even a treatment program just because you are a Christian. Nor do you need to flee to an exclusively Christian Fellowship, Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery. You're the boss. You need all the help you can get. We've long needed a guide that will use history to help you in your recovery, whatever your choice of fellowships, groups, recovery programs or treatment programs. The original Akron A.A. Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth, acceptance of Jesus Christ as Lord and Savior, Bible study, prayer, guidance, fellowship and witness is nothing to be buried, to be hushed up or to be afraid of mentioning. It's a part of recovery history, the most important part, the part that set A.A. apart in the 1930's as a cure for the medically incurable, an alternative to medicine, hospitalization and clergy dominated ideas. It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers. You can do this too and probably better if you know your history. Include this guide book in your reading. Include it in your recovery. Include it in your fellowship or group. Include it with any other recovery program, secular, Christian or rational. It's history. It tells you what worked. It tells you how you can choose to use it today if you wish. It will help you understand words and phrases and ideas that came from historical roots. And it doesn't bash other ideas or fellowships. It seeks to inform all and urge them to include history in their curriculum. This is a guide to history that has not been available

before It s a guide that will supplement and not replace It s a guide for you **The Guide Book** Wellington S.
