**Guts and Glory** Lawrence H. Suid, 2015-01-13 Guts and Glory The Making of the American Military Image in Film is the definitive study of the symbiotic relationship between the film industry and the United States armed services Since the first edition was published nearly two decades ago the nation has experienced several wars both on the battlefield and in movie theatres and living rooms at home Now author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military exploring how Hollywood has reflected and effected changes in America's image of its armed services He offers in depth looks at such classic films as Wings Thirty Seconds Over Tokyo The Longest Day Patton Top Gun An Officer and a Gentleman and Saving Private Ryan as well as the controversial war movies The Green Berets M A S H The Deer Hunter Apocalypse Now Platoon Full Metal Jacket and Born on the Fourth of July

**Tainted Glory** B. David Ridpath, 2012 In 1997 Dave Ridpath walked onto the campus of Marshall University as a sports loving athletic administrator with a career on the rise Less than five years later Ridpath's quest to reform one of the most corrupt athletic departments in college sports while simultaneously standing up to the behemoth governing body that is the NCAA had all but destroyed that career While serving as assistant athletic director for compliance and student services at Marshall University from 1997 through 2001 Ridpath unearthed violations of several NCAA rules These violations included overt academic fraud and impermissible booster devised employment for members of the Marshall University football team a team had taken the nation by storm because of its incredible success on the field Ridpath now chronicles his experiences through this trying time in Tainted Glory Marshall University the NCAA and One Man's Fight for Justice Instead of being hailed as a conquering hero determined to clean up an outlaw program Ridpath had the tables turned on him He found himself out of a job when Marshall University and the NCAA determined that the path of least resistance would be to remove him rather than address the issues head on With this action they hoped to avoid damaging the university the athletic department and the NCAA overall This story is about more than the NCAA or Marshall University It is about the state of the business of intercollegiate athletics told by someone on the inside who lived it the good and the bad

**The Superpowers and the Glory** Joe George, 2023-03-06 Christians love superhero movies just like everybody else But should they How do the themes in the world's most popular movies relate to Christ's teachings How do believers reconcile superhero violence with Jesus's message of peace How does the Sermon on the Mount relate to superhero power fantasies The Superpowers and the Glory helps readers answer those questions by teaching them how to identify the themes in superhero movies and examine them through Christian theology With deep dives into nearly every superhero movie ever released the book trains readers in understanding the worldviews behind movies such as Iron Man Spider Man and Wonder Woman Each chapter includes

discussion questions perfect for small groups Sunday school classes or personal inquiry From Marvel hits like Black Panther and The Avengers to DC blockbusters Batman and Justice League to indie characters Hellboy and Teenage Mutant Ninja Turtles The Superpowers and the Glory is an easy to read guide to using superhero movies to strengthen your relationship with Christ

**The Power and The Glory** David Yallop, 2012-08-23 John Paul II and the dark heart of the Catholic Church In 1984 David Yallop's In God's Name changed the way that the world looked at the Vatican In The Power and The Glory David Yallop returns to Rome with another explosive story the true history of the papacy of John Paul II From the first moment of his papacy Karol Wojtyla sought political influence and a role on the world stage At the dawn of the twenty first century he was a leader to millions of Catholics at a time of tremendous change Promising a renewed church he was the first media Pope and travelled around the world to preach his message It is said that he was central in the fall of Soviet Eastern Europe in particular within his own homeland of Poland But has the real truth of this Papacy been revealed The Power the Glory explores the continued financial scandal involving the Vatican bank the mafia Freemasonry illegal money laundering and arms sales Exposes the true extent of the Pope's failure to control the child abuse scandal Contains explosive revelations from the CIA the KGB the Polish secret service and the most secretive place on earth the Vatican itself Tells for the first time John Paul II's real involvement in the fall of the Iron Curtain and the liberation of Poland Uncovers the myth of the Holy Alliance between Reagan's America and the Vatican

Seeing the Lord's Glory Christopher Barina Kaiser, 2014-04-01 The dilemma of early Christology Kaiser observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel's God The shift of those claims onto the figure of Jesus is usually explained either as a result of the resurrection of Jesus presumed as a historical event or on the influence of pagan polytheism Kaiser examines the phenomenon of kyriocentric visions in Second Temple Judaism asking whether such traditions are sufficient to account for the shape of early claims regarding the divinity of Christ

*Teaching History with Film* Alan S. Marcus, Scott Alan Metzger, Richard J. Paxton, Jeremy D. Stoddard, 2010-02-25 Offers a fresh overview of teaching with film to effectively enhance social studies instruction

The Defeated and the Dead Mark Percy, 2024-07-01 How do we teach about war How can social studies teachers empower students to understand how wars are started how they are fought and how they are ended Films about war are featured in nearly all social studies classrooms across the US with practically every American teenager watching at least one historical film during their time in middle and high school Without the mandatory class viewing most of these movies would not have been seen by them otherwise Film is the medium through which most Americans learn about their national past But a passive viewing of a movie about war does little to help students learn to be critical thinkers about their country's choices In The Defeated and the Dead Teaching About War Through Film Dr Mark Percy outlines strategies and resources for teachers to incorporate movies about war into their classes in an effective thoughtful manner Employing elements of the Just War doctrine the basis for most international law

and treaties this book highlights how teachers can make use of widely used films like Saving Private Ryan Platoon and Glory as well as other movies that span our nation's history from the American Revolution to modern conflicts By focusing on critical frameworks like Just War as well as featuring films both about war and the avoidance of war The Defeated and the Dead offers social studies teachers a valuable tool to approach difficult contentious topics in their classrooms
