GoPro Karma Drone: Learning the Basics Michael Galleso, 2016-10-20 The GoPro Karma Drone is the first foldable drone The announcement was made in December of 2015 but the long awaited GoPro is not yet up for purchase until October of this year It is lightweight and easy to use when compared to other drones currently on the market It is a professional grade drone that can be used by anyone and comes with its own backpack In addition the GoPro Karma drone requires no assembly simply remove from the backpack unfold the propeller and you are ready to use The parts can be easily replaced if damaged and the GoPro Karma is able to stand up to everyday wear and tear

**Conservation Drones** Serge A. Wich, Lian Pin Koh, 2018-05-31 Increasing numbers of ecologists and conservation biologists have begun to explore the use of drone technology to obtain accurate and up to date data on the distribution and density of species as well as the threats to their habitats in their ongoing attempts to conserve and monitor biodiversity Conservation drones are low cost autonomous and operator friendly unmanned aerial vehicles that can be used for surveying mapping and monitoring both habitat and biodiversity They are fast becoming a valuable complement to ground based surveys and satellite imagery for a wide range of ecological and conservation applications The authors pioneered the use of conservation drones for the purpose of monitoring orangutan populations in Southeast Asia They subsequently founded ConservationDrones.org to share their knowledge of building and using drones with colleagues in the wider environmental community This website has proved highly popular and this book aims to further build capacity to use drones and inspire others to adapt emerging technologies for practical conservation

Entrepreneurial Marketing Edwin J Nijssen, 2017-04-27 How do you sell an innovative product to a market that does not yet exist Entrepreneurial businesses often create products and services based on radically new technology that have the power to change the marketplace Existing market research data will be largely irrelevant in these cases making sales and marketing of innovative new products especially challenging to entrepreneurs Entrepreneurial Marketing focuses on this challenge Classic core marketing concepts such as segmentation positioning and the marketing mix undergo an extreme makeover in the context of innovative products hitting the market Edwin J Nijssen stresses principles of affordable loss experimentation and adjustment for emerging opportunities as well as cooperation with first customers Containing many marketing examples of successful and cutting edge innovations including links to websites and videos on the Internet useful lists of key issues and instructions on how to make a one page marketing plan Entrepreneurial Marketing An Effectual Approach provides a vital guide to successfully developing customer demand and a market for innovative new products This

second edition has been thoroughly expanded with a one page marketing plan which now focuses on the three entrepreneurial challenges that can be easily adapted coverage of the customer development process and updated references and new examples This book provides students and entrepreneurs with the fundamental tools to succeed in marketing
