Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2016-11-30 Inspire your students to develop their sociological imaginations in Our Social World Focused on deep learning rather than memorization this book encourages readers to analyze evaluate and apply information about the social world to see the connection between the world and personal events from a new perspective and to confront sociological issues on a day to day basis Organized around the Social World Model a conceptual framework used across chapters to see the complex links between various micro to macro levels of the social system students will develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects

Using Literacy Strategies to Enhance Social Studies Education in Elementary Classrooms Kristy A. Brugar, Kathryn L. Roberts, 2025-04-09 Elementary teachers often with their students for most or all of the day have the opportunity to creatively integrate instruction across classes In this text we explore meaningful pedagogical cross over that goes beyond the surface level to build strong foundations and deep connections for teaching and learning in interdisciplinary ways **Samoan Archaeology and Cultural Heritage** Helene Martinsson-Wallin, 2016-03-31 The overall purpose of this book is to provide a foundation for Samoan students to become the custodians of the historical narrative based on Archaeological research Globalization Development and Social Justice Ann El Khoury, 2015-03-27 Are there existing alternatives to corporate globalization What are the prospects for and commonalities between communities and movements such as Occupy the World Social Forum and alternative economies Globalization Development and Social Justice advances

the proposition that another globalization is not only possible but already exists It demonstrates that there are multiple pathways towards development with social justice and argues that enabling propositional agency rather than oppositional agency such as resistance is a more effective alternative to neoliberal globalization El Khoury develops a theory of infraglobalization that emphasizes creative constitution not just contestation of global and local processes The book features case studies and examples of diverse economic practice and innovative emergent political forms from the Global South and North These case studies are located in the informal social economy and community development as well as everyday practices from prefigurative politics to community cooperatives and participatory planning This book makes an important contribution to debates about the prospects for and practices of a transformative grassroots globalization and to critical debates about globalization and development strategies It will be of interest to students and scholars of international relations globalization social movement studies political and economic geography sociology anthropology and development studies

The Social Studies FIELD Guide Joe Schmidt, Glenn Wiebe, 2025-03-07 Your roadmap to creating engaging and impactful social studies lessons that prepare students for the adventures and challenges of tomorrow In today's rapidly changing society it is essential for students to develop critical thinking and evidence based reasoning skills The traditional model of rote memorization of dates and facts in social studies classrooms no longer engages students or adequately prepares them for the complexities of the modern world In The Social Studies FIELD Guide authors Joe Schmidt and Glenn Wiebe illuminate a transformative path for educators to improve social studies education by moving away from memorization and towards meaningful and active learning This comprehensive guide delves into the heart of inquiry based learning integrating the rich tapestry of primary sources and the cutting edge potential of educational technology As the educational landscape evolves this FIELD Foundational Evidence Inquiry EdTech and Lesson Design Guide is a beacon for teachers seeking to bring history and civics alive for their students By utilizing primary sources and encouraging students to think critically about historical events from multiple perspectives the FIELD framework fosters a deeper understanding of past events and their relevance to current issues through Innovative Framework Provides a cohesive structure through the FIELD acronym for creating dynamic social studies lessons Research Driven Insights Offers a synthesis of key research in social studies education equipping teachers with evidence based strategies for classroom success Practical Application Presents Hikes in each chapter offering instructional ideas that translate theoretical concepts into actionable classroom practices Technology Integration Guides educators in leveraging educational technology tools to enhance student engagement and learning outcomes Focus on Inquiry Integrates inquiry based learning where students explore authentic questions and investigate real world problems Step into the future of social studies education with The Social Studies FIELD Guide an indispensable resource that distills decades of teaching expertise into actionable insights empowering educators to craft meaningful and engaging lessons without the burden of sifting through overwhelming resources Each chapter is a wellspring
