Part 1 – Business study

When opening a business, entrepreneurs must do everything right. Otherwise, the business may experience difficulties and even close down. Businesses will need to do a good business plan before they start their business. The following chart of the eight business functions: General Management, Marketing, Production, Finance, Human Resources and IT services, especially in the business, "Green House".

Business	Marketing	Production	Finance
General Management			
Marketing			
Production			
Finance			
Human Resources			
IT services			
General Management			
Marketing			
Production			
Finance			
Human Resources			
IT services			

After the study questions below, it should give an interesting view on the study. There is also an appendix of an essay provided in the end of the study.

Part 2 – Vision, Mission, and objectives.

It is also required to create the business mission and vision statements for your very own business. You need to give your business a name and a very clear description of what the business will do. Also, there should be a list of the major mission and vision that should be the goals of the business.
