Life is Funny! Frank Penley, 2019-10-28 My life has been full of unbelievably strange events. Many are funny and a few are sad. This book is a compilation of the experiences from before I came to Christ to later in my life seeing God work in and around people and countries where I have served as a pastor traveling speaker and a missionary. My hope with this book is to offer laughter understanding hope during sad and painful times and faith in God. The everyday normal person desperately needs to return to the truth about God and his word and to faith that is real and life changing. In my life I went from atheist to believer to traveling speaker to pastor and have personally experienced what God wants to do in each of our lives. Here is a small record of life as it has played out for me. It is my hope and prayer that you will read it and be entertained and encouraged and that you will be energized to believe again. Some names have been changed for obvious reasons.
