

The background image shows a person in a dark jacket and pants, seen from the side, using a long-handled squeegee to clean a large glass window. They are standing on a dark, reflective floor. A red bucket is on the floor next to them. The window looks out onto a vast cityscape at sunset or sunrise, with a hazy horizon and warm light. The word 'OXFORD' is printed in white at the top center.

Human Behavior And The Larger Social Environment:

Human Behavior and the Larger Social Environment Miriam McNown Johnson, 2022-06-15 From schools to the workplace and from class structure to cultural diversity all individuals function within complex social systems that shape them and are in turn shaped by them This text introduces students to these broader social contexts within which human behavior occurs and how a community's physical and social settings may promote or deter people in maintaining or achieving personal health and well being Johnson uses seven basic theoretical perspectives as the frameworks to explore how clients are impacted by social institutions and social structures Keeping up to date with emerging societal trends and changing environmental contexts is important and Human Behavior and the Larger Social Environment provides readers with the tools necessary to use their knowledge to provide appropriate interventions at all levels of practice as well as promote social and economic justice This book offers complex concepts in a simple format allowing students to analyze the relationship between individuals and various systems and better retain and apply their knowledge as they prepare to engage with clients and client systems

Human Behavior and the Larger Social Environment Miriam McNown Johnson, Rita M. Rhodes, 2005 Promotes critical thinking through extensive review and analysis of macro level systems and structures highlighting both the positive and negative impacts they have on individuals and families Avoids overwhelming students with the multitude of theories used to explain large systems by using the same structure in each chapter helping students mentally organize material in a way that helps them apply the knowledge to other social work courses Fully supports the person in environment orientation by moving away from an over emphasis on individual development toward an examination of contextual issues that more fully explains the challenges routinely encountered by social workers Thoroughly examines the social institutions that impact social workers and their clients helping students make connections between current events and social work curriculum content Chs 2 4 Introduces content on social class racial ethnic minorities gender sexual orientation and disabilities in a way that encourages open mindedness in students while discouraging stereotyping Chs 5 11 Focuses on diversity and strengths in minority populations and social settings and addresses issues of oppression with sensitivity helping to develop students appreciation for the challenges faced by populations at risk Chs 5 11

Human Behavior and the Larger Social Environment, Third Edition Miriam McNown Johnson, Rita Rhodes, 2015-06-15 From schools to the military and from class structure to cultural diversity all individuals function within complex social systems that shape them and are in turn shaped by them This text introduces students to these broader social contexts within which human behavior occurs and how a community's social settings may promote or deter people in maintaining or achieving personal health and well being Johnson and Rhodes use seven basic theoretical perspectives as the frameworks to explore how clients are impacted by social institutions and social structures Keeping up to date with emerging societal trends and changing environmental contexts is important and Human Behavior and the Larger Social Environment provides readers with the tools necessary to use their

knowledge to provide appropriate interventions at all levels of practice as well as promote social and economic justice This book offers complex concepts in a simple format allowing students to analyze the relationship between individuals and various systems and better retain and apply their knowledge as they prepare to engage with clients and client systems
