I Believe Line By Line Through The Creed:

I Believe Harvey J. Sindima, 2024-11-26 *I Believe* is a book on the foundational beliefs in Christianity from the beginning and across the centuries. These central declarations of the Christian faith expressed in creeds, confessions, and faith statements inform the spirituality of believers, the order and manner of worship, undergird rituals and faith practices, and shape the understanding, nature, and form of church government and organization or ecclesiology and polity. *I Believe* shows the power and ability of creeds and confessions to cause splits, schisms, and secessions and yet also be the glue that unites once different or divided churches. *I Believe* demonstrates that creeds and confessions inspire, encourage, influence, and impact social, political, and historical transformation and change of individuals, churches, societies, and nations. This book is an analysis of creeds and faith statements of many and different churches from every continent: Catholics, Orthodox, and Protestants. This critical investigation and examination of creeds, confessions, and faith statements is presented with deep historical and theological background towards understanding the development of the thought and teachings of the Christian faith from the beginning. *I Believe* fills the need for a single volume covering the development and history of the teachings of Christianity throughout the centuries.

Diary of a Confused Christian Nai B. Wise, 2024-03-30 This read is a self-help supplement to prompt consideration of influences on life's choices and to empower one's mind to choose truth over traditions. I've been triggered since I was 8 years old, and the time has come for me to excavate and discover my inner contents. No more going along to get along. I fervently and tearfully sought answers to my questions, and I found them. Answers, not to boast that I know more, but to bring me and hopefully others peace. I know these answers will trigger some folks. I know these answers will make me more enemies. But I do hope these answers will help someone. I hope these answers will prevent physical and spiritual suicide and above all bring understanding. This book is dedicated to the backslider, the doubter, the once faith-filled turned atheist, the almost reprobate and borderline blasphemer, and to the King, eternal, immortal, invisible, the only wise God who is able to keep us from falling and who just wants to reason with us.

I Believe Christopher Hayden, 2015-07-08 The Creed is a compendium of the Christian faith. This very readable book guides the reader through the Creed line by line. Each statement is explained and reflected on in a way that seeks to show the wisdom, beauty, and practicality of the faith.

The Reverend Mark Twain Joe B. Fulton, 2006 I was made in His image. Mark Twain once said but have never been mistaken for Him. God may have made Mark Twain in His image, but Twain frequently remade himself by adopting divine personae as part of his literary burlesque. Readers were delighted rather than fooled when Twain adopted the image of religious vocation throughout his writing career. Theologian, Missionary, Priest, Preacher, Prophet, Saint, Brother Twain, Holy Samuel, the Bishop of New Jersey, and of course the Reverend Mark Twain. Joe B. Fulton has not written a study of Samuel Langhorne Clemens's religious beliefs but rather one about Twain's use of theological form and content in a number of his works, some well-known, others not so widely read. Twain adopted such religious personae to burlesque the religious

literary genres associated with those vocations He wrote catechisms prophecies psalms and creeds all in the theological tradition but with a comic twist Twain even wrote a burlesque life of Christ that has the son of God sporting blue jeans and cowboy boots With his distinctive comic genius Twain entered the religious dialogue of his time employing the genres of belief as his vehicle for criticizing church and society Twain s burlesques of religious form and content reveal a writer fully engaged with the religious ferment of his day Works like *The Innocents Abroad* *Adventures of Huckleberry Finn* *Personal Recollections of Joan of Arc* *Roughing It* and *What Is Man* are the productions of a writer skilled at adopting and adapting established literary and religious forms for his own purposes Twain is sometimes viewed as a haphazard writer but in *The Reverend Mark Twain* Fulton demonstrates how carefully Twain studied established literary and theological genres to entertain and criticize his society

Book jacket The King Jesus Gospel Scot McKnight, 2011-09-20 Contemporary evangelicals have built a salvation culture but not a gospel culture Evangelicals have reduced the gospel to the message of personal salvation This book makes a plea for us to recover the old gospel as that which is still new and still fresh The book stands on four arguments that the gospel is defined by the apostles in 1 Corinthians 15 as the completion of the Story of Israel in the saving Story of Jesus that the gospel is found in the Four Gospels that the gospel was preached by Jesus and that the sermons in the Book of Acts are the best example of gospeling in the New Testament *The King Jesus Gospel* ends with practical suggestions about evangelism and about building a gospel culture
