Choosing Your Apprenticeship and Choosing Your Diploma **The Church in the Long Eighteenth Century** David Hempton,2011-09-16 David Hempton s history of the vibrant period between 1650 and 1832 engages with a truly global story that of Christianity not only in Europe and North America but also in Latin America Africa Russia and Eastern Europe India China and South East Asia Examining eighteenth century religious thought in its sophisticated national and social contexts the author relates the narrative of the Church to the rise of religious enthusiasm pioneered by Pietists Methodists Evangelicals and Revivalists and by important leaders like August Hermann Francke Jonathan Edwards and John Wesley He places special emphasis on attempts by the Spanish Portuguese French Dutch and British seaborne powers to export imperial conquest commerce and Christianity to all corners of the planet This leads to discussion of the significance of Catholic and Protestant missions including those of the Jesuits Moravians and Methodists Particular attention is given to Christianity s impact on the African slave populations of the Caribbean Islands and the American colonies which created one of the most enduring religious cultures in the modern world Throughout the volume changes in Christian belief and practice are related to wider social trends including rapid urban growth the early stages of industrialization the spread of literacy and the changing social construction of gender families and identities

When Families Cross Borders: A Guide for Internationally Mobile People Jenniver A. Patterson,2006 **Governing the World** Martin De Waele,2010-08 A large portion of the world lives in poverty wars are commonplace and natural resources are running out The world is being mismanaged on a global scale and no one seems to be offering solutions No matter how democratic the political system there is still fierce competition for wealth and power Our accepted values and unquestioned assumptions have led the world as a

whole to push aside important ethical considerations DE WAELE offers new ideas to apply to world governance taking an ethical approach that upholds the sacredness of life and human relationships Only an ethically based global governance can put things right a system of ongoing ethical inquiry where economics and politics are oriented toward what is good for humans at the global rather than the national level Albert Einstein one of the great scientific and humanitarian thinkers of the twentieth century observed The significant problems we face cannot be solved at the same level of thinking we were at when we created them Think in new ways and be inspired to be part of the solution in Governing the World
