

If you run out of space

4

If you run out of space in your answer booklet, ask the invigilator for a new booklet and complete your session number and name on the front page. If you are continuing with an answer that you started in your first booklet, write the question number again in the new booklet before continuing with your answer.

If you need to go back and write more for any of your answers at any stage, go to the end of the last answer that you wrote in your answer booklet. In the next available boxes, fill in the question number again and then continue your answer.

Some important advice

- ✓ Know your candidate session number.
- ✓ Read the IB poster *Conduct of the examinations: notice to candidates*. If you have any questions about what it says, ask your Diploma Programme coordinator.
- ✓ Take only authorized material into the examination room. If you are found in possession of unauthorized material (for example, notes, a mobile/cell phone) even by mistake, you will be in breach of the IB regulations.
- ✓ Write in blue or black ink only, and use soft pencil for graphs and diagrams. The use of colour is only permitted in geography examinations.
- ✓ Draw a line through any plans or working out that you do not want marked.
- ✓ At the end of the examination, place the below material (where applicable) together in the following sequence:

- the blue coversheet at the front
- the examination paper (but **only** if this is the kind of examination paper in which you write answers)
- the answer booklet(s)
- squared paper (used in Chinese/Japanese language examinations)
- graph paper

Secure the above material together with a string tag.
