Smith,2013-06-19 There appears to be no cessation of written material relating to End Times theology generally and to the Apocalypse specifically Sadly much if not most of it runs counter to the clear teachings of Scripture A misquoted verse here and an extrapolation there one wonders when the dust will finally settle and a spiritually and scripturally accurate picture will begin to emerge In this volume Jack Smith explores the issues with due diligence searching the Scriptures and ever seeking the Guidance of the Holy Ghost with all soberness of thought and attitude Who or what is the antichrist Who is the false prophet and Who or what is the whore of Babylon With the Bible in one hand and a prayer for Guidance ever on his lips Jack Smith has discovered and here reveals the answer to those questions The author is keenly aware that these Truths will not be eagerly received by the bulk of Modern Christendom And so much the worse as there has never been a time they are more pertinent more relevant and more necessary to know than in this present hour as we approach the eclipse of human history **Practical sermons, by dignitaries and other clergymen of the united Church of England and Ireland [successively ed. by A. Watson and J.C. Crosthwaite]. 3 vols. [issued in parts. Wanting the general title-leaf and prelims. of vol. 1 and pp. 301-372 of vol. 2].** Practical sermons,1845 **Arnolds' Practical Sabbath-school Commentary on the International Lessons** ,1905 **Sunday School Times** ,1882 *Children's Literature and Culture of the First World War* Lissa Paul,Rosemary R. Johnston,Emma Short,2015-12-22 Because all wars in the twenty first century are potentially global wars the centenary of the first global war is the occasion for reflection This volume offers an unprecedented account of the lives stories letters games schools

institutions such as the Boy Scouts and YMCA and toys of children in Europe North America and the Global South during the First World War and surrounding years By engaging with developments in Children s Literature War Studies and Education and mining newly available archival resources including letters written by children the contributors to this volume demonstrate how perceptions of childhood changed in the period Children who had been constructed as Romantic innocents playing safely in secure gardens were transformed into socially responsible children actively committing themselves to the war effort In order to foreground cross cultural connections across what had been perceived as enemy lines perspectives on German American British Australian and Canadian children s literature and culture are situated so that they work in conversation with each other The multidisciplinary multinational range of contributors to this volume make it distinctive and a particularly valuable contribution to emerging studies on the impact of war on the lives of children     Harper's Young People ,1889     Zion's Herald ,1909     **The Wesleyan Sunday-school magazine [afterw.]** **The Wesleyan methodist Sunday school magazine** ,1878
