

The book cover features a stylized illustration of a forest landscape. In the foreground, a river flows through a valley. On the right bank, a group of people are gathered, some sitting on the ground and others standing. The background shows rolling hills and dense trees. The overall color palette is muted, with greens, browns, and greys.

Kindling Of An Insurrection Notes From Junglemahals:

Kindling of an Insurrection Chandan Sinha, 2020-11-29 The tribal areas of central and eastern India have been under the intractable shadow of left wing extremism in recent years fuelling a serious internal crisis in the country While the clashes between the Maoists and the State have been highlighted by the media academics and others the situation of the people caught between the crossfire has often been overlooked Kindling of an Insurrection provides a gripping account of the lives of people in the conflict affected district of Paschim Medinipur West Bengal as experienced by a District Collector By focusing on the plight of the people of Junglemahals the term for the forested areas of the region the author draws attention to the harsh living conditions unstable occupations and almost non existent education highlighting the people s lack of access to developmental schemes implemented by the government and non governmental organisations Based on extensive tour notes the narrative attempts a subtle balance between a personal diary and official documentation bringing to fore complexities challenges and dynamics of the ground reality as also the administrative work carried out in the region Accompanied by photographs this book offers a rare chronicle of life in rural West Bengal exposing the roots of the alienation of marginalised tribal communities and the circumstances leading to the rise of an insurrection within the nation s heartland Authoritative and lucid the book will be indispensable for scholars and researchers in the areas of public administration social work development studies social anthropology and politics It will also prove useful to policy makers journalists and the general reader interested in West Bengal and left wing extremism *Civil Resistance Against 21st Century Authoritarianism. Defending Human Rights in the Global South* Bose, Rajanya, Becker Castellaro, Sebastián, Çiftçiöğlü, Kerem, Deochand, Ektaa, Mendoza Servín, Natalia, Monsalve, Ezequiel, Peralta, Jennifer, Zec, Slavenska, 2021-05-01 Populist authoritarian governments have jeopardized the human rights accomplishments of the 20th century Ensuring their fulfillment has become a challenge for these governments and an issue for human rights defenders seeking to find ways to resist anti democratic actions This book seeks to expose the crisis of human rights at the hands of people who despite rising to power through democratic means now see democracy as a limiting institution that must be dismantled urgently Restrictions on civil society and arbitrary detentions are some of the reasons why this populist and authoritarian vision is incompatible with human rights which are guaranteed to some and denied to others Through various narratives the authors seek to recognize new spaces for struggle such as political activism to develop action research tools in a context of crisis **Nightmarch** Alpa Shah, 2019-04-23 Winner of the 2020 Association for Political and Legal Anthropology Book Prize Shortlisted for the Orwell Prize Shortlisted for the New India Foundation Book Prize Anthropologist Alpa Shah found herself in an active platoon of Naxalites one of the longest running guerrilla insurgencies in the world The only woman and the only person without a weapon she walked alongside the militants for seven nights across 150 miles of dense hilly forests in eastern India Nightmarch is the riveting story of Shah s journey grounded in her years of living with India s tribal people an eye opening

exploration of the movement's history and future and a powerful contemplation of how disadvantaged people fight back against unjust systems in today's world. The Naxalites have fought for a communist society for the past fifty years, caught in a conflict that has so far claimed at least forty thousand lives. Yet surprisingly little is known about these fighters in the West. Framed by the Indian state as a deadly terrorist group, the movement is actually made up of Marxist ideologues and lower caste and tribal combatants all of whom seek to overthrow a system that has abused them for decades. In *Nightmarch* Shah shares some of their gritty untold stories; here we meet a high caste leader who spent almost thirty years underground, a young Adivasi foot soldier, and an Adivasi youth who defected. Speaking with them and living for years with villagers in guerrilla strongholds, Shah has sought to understand why some of India's poor have shunned the world's largest democracy and taken up arms to fight for a fairer society, and asks whether they might be undermining their own aims. By shining a light on this largely ignored corner of the world, Shah raises important questions about the uncaring advance of capitalism and offers a compelling reflection on dispossession and conflict at the heart of contemporary India. *Liberal Studies* A. Prasad, Jyotsna Yagnik, Binod C. Agarwal, S.D. Muni, Uddipan Mukherjee, Pradeep Mallik, Gurmeet Kanwal, Sanjay Kumar Pradhan, Narottam Gaan, Arun Vishwanathan, Shalendra D. Sharma, Aruna Kumar Malik, Jasmine J. Pereira, Shubhang D. Parekh, Nihar Ranjan Pradhan, 2016-06-30. The *Liberal Studies* journal is a trans-disciplinary bi-annual journal of the School of Liberal Studies, Pandit Deendayal Petroleum University, India. Each issue of the journal amalgamates research articles, expert opinions, and book reviews on various strands, with an endeavor to inquire into contemporary world concerns. Vol 1 Issue 1, January-June 2016, ISSN 2688-9374, Online ISSN 2455-9857, Print OCLC No 1119390574. *Keywords for India* Rukmini Bhaya Nair, Peter Ronald deSouza, 2020-02-20. What terms are currently up for debate in Indian society? How have their meanings changed over time? This book highlights key words for modern India in everyday usage as well as in scholarly contexts. Encompassing over 250 key words across a wide range of topics including aesthetics and ceremony, gender, technology, and economics, past memories and future imaginaries, these entries introduce some of the basic concepts that inform the cultural unconscious of the Indian subcontinent in order to translate them into critical tools for literary, political, cultural, and cognitive studies. Inspired by Raymond Williams' pioneering exploration of English culture and society through the study of keywords, *Keywords for India* brings together more than 200 leading sub-continental scholars to form a polyphonic collective. Their sustained engagement with an incredibly diverse set of words enables a fearless interrogation of the panoply, the multitude, the shape-shifter that is India. Through its close investigation and unpacking of words, this book investigates the various intellectual possibilities on offer within the Indian subcontinent at the beginning of a fraught new millennium, desperately in need of fresh vocabularies. In this sense, *Keywords for India* presents the world with many emancipatory memes from India. **Particularly Vulnerable Tribal Groups of India** Swapan Kumar Kolay and Nilanjan Khatua, 2024-01-01. This publication primarily focuses on various livelihood patterns of different PVTGs in India. It also

critically examines the impact of different development programs on these vulnerable groups through 31 chapters arranged into five broad headings such as I Tribal Ethnography II Ecology Economy and Tribal Identity III Socio cultural Beliefs and Practices IV Tribal Health Food and Nutrition and V Tribal Development and Tribal policy The lack of effective implementation of various development programs has deprived them of enjoying the benefits of development The learned contributors to the volumes have touched upon many important aspects of livelihood patterns health food and nutrition that need immediate attention from the government and development agencies on issues of the PVTGs These two volumes are the outcome of a modest attempt by the authors to update the status of traditional occupations and change the livelihood of Particularly Vulnerable Tribal Groups in India Vulnerable Tribal peoples often have much in common with other neglected segments of societies i e lack of political representation and participation economic marginalization and poverty lack of access to social services and discrimination They strive for recognition of their identities their ways of life and their right to traditional lands territories and natural resources These volumes will be useful for anthropologists social scientists administrators policymakers planners and students of social sciences interested in understanding tribal ethos and world views

China's India War Bertil Lintner, 2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru's hostile policies was put forth by journalist Neville Maxwell in his book India's China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell's narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell's book Bertil Lintner's China's India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today

Resistencia civil contra los autoritarismos del siglo XXI Dejusticia, 2021-07-28 En todo el mundo el activismo por los derechos humanos atraviesa hoy momentos críticos debido a la acción de gobiernos populistas autoritarios de derecha y de izquierda restricciones al financiamiento extranjero para las ONG campañas de desprestigio cooptación de sectores de la sociedad civil y restricciones a los derechos fundamentales están debilitando su legitimidad y su eficacia Sin embargo los tiempos difíciles son también de resistencia y creatividad Así lo muestran por ejemplo la movilización masiva en las calles de la India las protestas periódicas contra los ataques de Bolsonaro a las libertades constitucionales en Brasil el activismo valiente de las ONG venezolanas y sudafricanas la movilización contra los agrotóxicos en la Argentina la defensa del derecho a la privacidad en México y del derecho al olvido en la era digital en Chile y una nueva narrativa política en Turquía Este libro que reúne textos de jóvenes defensores de derechos humanos a lo largo del Sur Global muestra las formas en que los movimientos de la sociedad civil trabajan para crear y mantener espacios de resistencia cívica bajo la

amenaza de gobiernos empresas y avances tecnológicos Forman en conjunto una historia de acción cívica que desafía el miedo y hace propio el consejo de Saul Alinsky el célebre activista estadounidense para sostener la movilización por los derechos humanos en el largo plazo tal como se requiere para revertir la ola populista actual es indispensable pasar de la rabia a la esperanza *Indian National Bibliography* B. S. Kesavan,2016 Marcia notturna Alpa Shah,2019-04-30T00:00:00+02:00

Unica donna unica non armata l'antropologa Alpa Shah ha indossato nel 2010 i panni verde oliva di un plotone di naxaliti guerriglieri maoisti attivi nelle foreste del centro dell'India Per tutto un cielo di stelle Alpa ha percorso duecentocinquanta chilometri in sette giorni e sette notti una lunga marcia che diventa l'espedito narrativo per restituire la polveriera di aspirazioni e risentimenti che anima il sogno della presa del potere ritenuta possibile solo con la rivoluzione Scritto in forma di avvincente e documentatissimo reportage *Marcia notturna* una riflessione sulle conseguenze di uno sviluppo economico troppo veloce e sulla crescente realtà di spossessamento e conflitto nel cuore dell'India contemporanea *Claiming India from Below* Vipul Mudgal,2015-12-14 Going beyond electoral politics and government this volume broadens the scope of the functioning of democracy in India and explores citizens role in the implementation of public policy It looks at the ways in which extra parliamentary power monitoring devices such as public institutions citizens associations or assemblies and the mainstream and emerging forms of the media permeate through the political order The volume brings participation and communication in governance and policy making to the centre stage examines case studies of state and citizen engagement from across India and presents perspectives of practitioners activists and scholars to provide a comprehensive view of the debates surrounding the idea of Indian democracy This book will be useful to scholars and researchers in politics political science media studies public administration sociology and social anthropology as well as the interested general reader
