

Okay. Now hold your dress out by the sides, lean forward so I can see your cleavage, and pucker up for me. Sara? Now, FREEZE!

Oh Sweetie. I just knew it wouldn't take me too long to have you under my control, mind and body both.

Just feel the weight of your boobs hanging off your chest. Doesn't that feel so refreshingly feminine?

Or how about the air that swishes around your thighs as you move, so close to exposing your panties?

Or how smooth your hairless legs feel, as you walk in your heels.

Perhaps you are intoxicated by the smell of the perfume dabbed liberally on your neck, wrists, ankles, and of course, boobies.

The point? I don't have one really, other than to rub it in. I mean, an evil genius has to gloat, you know?
