**Think/Write/Share**

The purpose of the Think/Write/Share activity is to give students time to think, process, and write before sharing with partners, small groups, or in whole group. (Suggested time: Give students 1-2 minutes to think and write before sharing.)

**Do you think Mrs. Schachter actually saw fire?**

Students might discuss:

No, Mrs. Schachter didn't see fire; she was under stress and was grieving; she was crazy; it was just a premonition; this is an example of foreshadowing; the fire is a symbol for the events of the Holocaust, etc.

Yes, Mrs. Schachter did see fire. Perhaps she saw some fire in the distance; For Mrs. Schachter, her premonitions were very real, etc.

**Why do you think Weiss includes this person in his memoir?**

Students might discuss how Mrs. Schachter was expressing the fears they were all trying to avoid, how the others treated her and continued to ignore the danger, how she foreshadowed the crematoria, how this scene created a lot of suspense and tension, how it is might relate to her and her son because he is also just a child.

**Elie Wiesel** Elie Wiesel, 2002 Elie Wiesel has given hundreds of interviews Yet his fame as a human rights advocate often directs such conversations toward non literary issues Indeed many of Wiesel s questioners barely address the writer s role that has defined him since the 1950s Unlike previous volumes in which he speaks with interviewers *Elie Wiesel Conversations* collects interviews which set in relief the writer at work This book focuses on Wiesel the literary artist instead of Wiesel the Holocaust survivor or the 1986

Nobel Peace Prize laureate Wiesel's literary significance these interviews also correct many faulty assumptions about his achievement Few American readers know that he writes in French that he has been favorably compared to Andr Malraux and Albert Camus Not many realize that the Holocaust has been the subject of only a few of his forty books Particularly in his nonfiction Wiesel's scope is wide addressing Jewish life in all its religious and historical complexity Though most of Wiesel's books do not focus on the Holocaust they are written against the backdrop of what he has come to term The Event Always the presence of Auschwitz can be felt always the author lives in the shadows of the flames that once illuminated and blinded him These interviews are reminders that the writing life is both solitary and public interior and social The writer must venture beyond his study and speak out against the world's traumas and outrages Robert Franciosi is an associate professor of English at Grand Valley State University in Allendale Mich He is the editor of Good Morning A Holocaust Memoir His work has appeared in American Poetry Contemporary Literature Modern Jewish Studies and the William Carlos Williams Review

*Anecdotes and Afterthoughts: Literature as a Teacher's Curriculum* Edward Podsiadlik III, 2014-09-23 This qualitative journey explores how literature informs and challenges my understanding of teaching and learning. Insights, questions, and conflicts are revealed through a series of essays in which my evolving teacher identity is illuminated through literature and imagination. Hopefully, reading this portrayal of literature, which has been a source of educational insight and imagination for me, will be of use to other educators as they reflect on their own teaching. The primary works of literature used to facilitate this journey are *The Red Badge of Courage* (1895), *Les Misérables* (1862), and *American Idiot* (2004); *Light in August* (1932); *Seinfeld* scripts (1991-98); and *Frankenstein* (1818) and *The Odyssey* (Night 1960) and *The Souls of Black Folk* (1903). By delving beneath my exterior teacher mask, a collage of images, anecdotes, reflections, aspirations, and fears is exposed. As a resource for pre-service teachers or a reflective exercise for veteran teachers, this study aims to benefit educators by providing a new pathway through which to better understand their intrinsic identities as teachers. Each chapter concludes with Recommendations for Reflection that readers are encouraged to consider individually and/or collectively. The spirit of daydreams allows me to integrate literature, autobiography, and imagination through inventive and inspired discourses with literary figures, using authentic quotations as content for original commentaries that further examine the intrinsic nature of teacher identity. My hope is that this journey will inspire other educators to further reflect on realities and possibilities of what it means to be a teacher.
