**The Gun Digest Book of Modern Gun Values** Ken Ramage, 2001-06

Firearms made since 1900 are far more numerous than those made before 1900. Many of these post 1900 firearms are found at auctions, arms retailers in advertisements and as young family heirlooms. Much more affordable and plentiful than pre 1900 collector grade arms, many of these post 1900 guns are increasingly viewed as collectible, valuable assets. This all new expanded edition helps collectors identify firearms, evaluate conditions and determine values. Detailed specifications and current values from specialized experts are provided for domestic and imported handguns, rifles, shotguns and commemorative firearms. Heavily illustrated with more than 8,000 arms, each listing includes descriptions and values in three grades of condition according to the NRA's Modern standards. A new 8 page color section hosts many popular arms.

All Stars Fall: A Seaside Pictures/Big Sky Novella Rachel Van Dyken, 2019-03-12. From New York Times and USA Today bestselling author Rachel Van Dyken. She left. Two words I can't really get out of my head. She left us. Three more words that make it that much worse. Three being another word I can't seem to wrap my mind around. Three kids under the age of six and she left because she missed it. Because her dream had never been to have a family, no her dream had been to marry a rockstar and live the high life. Moving my recording studio to Seaside, Oregon seems like the best idea in the world right now, especially since Seaside, Oregon has turned into the place for celebrities to stay and raise families in between touring and producing. It would be lucrative to make the move, but I'm doing it for my kids because they need normal, they deserve normal. And me? Well, I just need a break and help, that too. I need a sitter and fast. Someone who won't flip me off when I ask them to sign an Iron Clad NDA, someone who won't sell our pictures to the press and most of all, someone who looks absolutely nothing like my ex-wife. He's tall. That was my first instinct when I saw the notorious Trevor Wood, drummer for the rock band Adrenaline, in the local coffee shop. He ordered a tall black coffee, which made me smirk, and five minutes later, I somehow agreed to interview for a nanny position. I couldn't help it, the smaller one had gum stuck in her hair while the eldest was standing on his feet and asking where babies came from. He looked so pathetic, so damn sexy and pathetic that rather than be star-struck, I took pity. I knew though I knew the minute I signed that NDA, the minute our fingers brushed and my body became insanely aware of how close he was, I was in dangerous territory. I just didn't know how dangerous until it was too late. Until I fell for the star and realized that no matter how high they are in the sky, they're still human and fall just as hard.
