**If Ignorance Is Bliss, Why Aren't There More Happy People?** John Lloyd, John Mitchinson, 2009-08-04 John Lloyd and John Mitchinson have proven themselves to be masters at digging up obscure facts abstruse information and amusing anecdotes and presenting them effortlessly somewhat slyly with either great wit or at least a little bit of tongue in cheek Their gifts are on full display in *Quote Interesting* a lively wonderfully enjoyable anthology of hundreds of quotes you probably have never heard before arranged thematically from A to Z From laugh out loud funny bon mots to some real headscratchers Lloyd and Mitchinson have gathered a universe of star studded blurbs like The Beatles are dying in the wrong order Victor Lewis Smith When you forget to eat you know you're alive Henry James I think people would be alive today if there were a death penalty Nancy Reagan You know that look women get when they want sex Me neither Steve Martin

**The Roots of Southern Writing** C. Hugh Holman, 2008 At the heart of the southern riddle you will find a union of opposites a condition of instability a paradox Calm grace and raw hatred Polished manners and violence An intense individualism and intense group pressures toward conformity A reverence to the point of idolatry of self determining action and a caste and class structure presupposing an aristocratic hierarchy A passion for political action and a willingness to surrender to the enslavement of demagogues A love of the nation intense enough to make the South's fighting men notorious in our wars and the advocacy of interposition and of the public defiance of national law A region breeding both Thomas Jefferson and John C Calhoun If these contradictions are to be brought in focus if these ambiguities are to be resolved it must be through the reconciliation of opposites And the reconciliation of opposites as Coleridge has told us is the function of the poet So begins the first of these seventeen penetrating essays drawn from long and fruitful reflection of southern life and art by C Hugh Holman Professor Holman maintains that there is a congeries of characteristics identifiably present in much southern writing and he astutely defines them in this collection William Gilmore

Simms Ellen Glasgow Thomas Wolfe William Faulkner and Flannery O Connor are treated at length Among the other authors considered in terms of their roles in the making of the southern mind are James Branch Cabell T S Stribling Erskine Caldwell and Robert Penn Warren The essays strike a fine balance between general overview and specific analysis and they are so arranged as to make a unified study which forms a significant chapter in the intellectual history of the South Professor Holman asserts that out of the cauldron of the South s experience the southern writer has fashioned tragic grandeur and given it as a gift to his fellow Americans It is possible that no other southern accomplishment will equal it in enduring importance As urbanization and industrialism conspire to write an Epitaph for Dixie its greatest contribution to mankind may well be the lesson of its history and the drama of its suffering In these superb essays the author makes a convincing argument for that position

*Changing Differences* Rhodri Jeffreys-Jones,1995 There are more than fifty women in the United States Congress and nearly one fourth of foreign service posts are held by women Nevertheless the United States has yet to entrust a senior foreign policy job outside of the United Nations to a woman Beneath these statistics lurk central myths that Jeffreys Jones cogently identifies and describes the Iron Lady too masculine the lover of peace too pink the weak or the promiscuous These are to name only a few With an eye to the feminist foreign policy leaders of the future the author traces the successes and failures of collectivities such as Women Strike for Peace and individuals who were influential in international politics since World War I including Alice Paul Jane Addams Jeannette Rankin Dorothy Detzer Eleanor Roosevelt Margaret Chase Smith Helen Gahagan Douglas Bella Abzug Margaret Thatcher and many others These women often found ways to employ the myths to their own and to their country s benefit and more recently have had the freedom to defy the stereotypes altogether
