 education is rarely discussed or analysed and we do not have to seek far for the reasons The difficulty of interdisciplinary
 research the technicisation of legal education itself the view that affect is irrational and antithetical to core western ideals of
 rationality all this has made the subject of emotion in legal education invisible Yet the educational literature on emotion
 proves how essential it is to student learning and to the professional lives of teachers This text the first full length book study
 of the subject seeks to make emotion a central topic of research for legal educators and restore the power of emotion in our
 teaching and learning Part 1 focuses on the contribution that neuroscience can make to legal learning a theme that is carried
 through other chapters in the book Part 2 explores the role of emotion in the working lives of academics and clinical staff
 while Part 3 analyses the ways in which emotion can be used in learning and teaching The book interdisciplinary and wide
 ranging in its reference breaks new ground in its analysis of the educational lifeworld of situations communities actors and
 interactions in legal education Human Values and Environment Studies Dr. Pragya Agarwal ,Ankit Garg ,2023-07-01
