Study Guide to Accompany David G. Myers Exploring Psychology in Modules, Ninth Edition Richard Otto Straub, 2014

Exploring Psychology (Paper) David G. Myers, 2012-11-02 The new ninth edition merges the rigor of science with a broad human perspective to provide a state of the art introduction to psychology From vivid presentation and intense attention to detail to research based study aids and media learning tools the inviting authorial voice of David Myers speaks to the life experiences of all students Exploring Psychology David G. Myers, 2009-12-25 This edition contains the following changes Hundreds of new research citations representing the most exciting and important new discoveries in our field Organizational changes based on changes in the field For example the heavily revised consciousness modules now follow the neuroscience modules and are titled Consciousness and the Two Track Mind to reflect the dual processing and cognitive neuroscience themes Fine tuned writing with countless small and large improvements in the way concepts are presented supported by the input and creative ideas of hundreds of contributing instructors students and friends A sharp new art program that teaches more effectively Continually improving coverage of cultural and gender diversity issues Exploring Psychology Study Guide Richard O. Straub, 2004-03-31 This study guide for David Myers best selling text for introductory psychology courses is compelling and concise with a global perspective on psychology This edition has been thoroughly updated and includes new features and a media supplements package *Exploring Psychology, Eighth Edition, In Modules* David G. Myers, 2010-07-08 Exploring Psychology Eighth Edition in Modules is the modular version of the 1 bestselling brief introduction to psychology David Myers's Exploring Psychology All the Myers hallmarks are here the captivating writing coverage based on the latest research helpful pedagogical support in a format that delivers the utmost in student accessibility and teaching flexibility **Psychology In Modules** David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations Recording for the Blind & Dyslexic, ... Catalog of Books, 1996 **Exploring Psychology in Modules** David G. Myers, C. Nathan DeWall, 2016-01-01 The new edition of Exploring Psychology in Modules offers outstanding currency on the research practice and teaching of psychology Myers and DeWall inspire students with fascinating findings and applications effective new study tools and technologies and a compassionate and compelling storytelling voice Their presentation is based on the same guiding principles behind the entire family of textbooks that have made David Myers the world's bestselling introductory psychology author Facilitate learning by teaching critical thinking and helping students at every step Present psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts Make sure students come away with an appreciation of psychology's big ideas and with a deeper respect for humanity what drives us distinguishes us unifies us This Exploring Psychology in Modules is the first to include Myers

handpicked co author Nathan DeWall shares Myers belief that instilling a sense of curiosity and inquiry about psychological science is an effective way to help students navigate the content think critically and prepare for a lifetime of learning and living The extraordinary longtime Myers ancillary author team is also here a group whose teamwork consistency and commitment again sets the industry standard for instructor and student supplements The high quality that consistently sets Myers ancillaries apart sees a new incarnation in LaunchPad This course space organizes all the book s digital resources in an online format that makes it easier for instructors to teach track and assess their students This text offers the content organized in 45 student friendly modules assignable in any sequence and brief enough to be read in one sitting Students digest material better when they process it in smaller chunks as spaced rather than massed practice and instructors often appreciate the flexibility of assigning any modules in any order
