Fate And Fury The Grey Wolves 6 Quinn Loftis:

Fate And Fury Quinn Loftis, 2013-03-13 The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacques Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness deep inside, Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces. *The Grey Wolves Series Books 4-6* Quinn Loftis, 2019-10-28 Darkness has descended on the Transylvanian Alps. The Grey Wolves Series continues as the pack recovers from betrayal by one of their own, an Alpha hell bent on becoming the most powerful Canis lupus on earth. And though the wolf's assassination attempt on Vasile, the leader of the Romanian greys, failed, he's left destruction, death, and a missing mate behind him. The rogue Alpha fled, but he's left a surprise for the Romanian pack: a witch intent on destroying the Romanian grey wolves. A devastating curse threatens to cripple Decebel and could dissolve his fragile bond with his mate, Jennifer. Meanwhile, injured and alone, Jen has been fighting for her life. She has come to terms with her fate, accepting she will not share a life with Decebel until help comes in the most unexpected form, but will it be in time? The Romanian pack will have to use all its resources, including Sally, the pack's new gypsy healer, to find a way to destroy the witch, lift the curse, and solve a mystery that's surrounded the wolves for 300 years. Beyond the Veil Quinn Loftis,2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha the war is far from over Desdemona a witch of unfathomable power has escaped the wolves wrath but she will not go quietly into the night She takes refuge in a place where even the smallest sliver of light does not dare to enter Though she had to flee she has not given up on the treasure she wishes to acquire Her depravity knows no bounds she s even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia with good reason the danger is incalculable Meanwhile there are major changes rippling through the Romanian Grey wolves Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides But the winds of change are blowing changes that will alter the future of not only the Canis lupis but of another ancient race as well Amidst all of this Sally is continuing to come to terms with her relationship with the playful charming flirty unbelievably handsome bartender who happens to be a member of the Romanian pack If all that weren t enough the Fates have decided to pay a little visit to Jen It s time to collect She cheated the Fates of a life her life Now they want what they are due The problem It s more than Jen is willing to pay Yes the war is indeed far from over Bargains will be struck declarations will be made sacrifices will be given love will be tested and trust will be questioned as evil makes its stand against them all

The Grey Wolves Novella Collection Quinn Loftis,2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found

out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacques butt is getting wider by the minute Jacques doesn't know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally's mind She's broken and no one can fix her not her friends try as they might and not her beautiful mate She'd thought when Costin had rescued her from Jericho's clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she'd done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger

Prince of Wolves Quinn Loftis, 2011-06-29 Jacques Pierce was an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring TX when a mysterious foreign exchange student from Romania moves in across the street Jacques and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting From the moment Jacques sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that the flame she is drawn too is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul The problem is Fane is not the only wolf in Coldspring Just as Fane and Jacques are getting to know each other another wolf steps out to try and claim Jacques as his mate Fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed Alpha Will the love Fane has for Jacques be enough to give him the strength to defeat his enemy and will Jacques accept she is Fane's mate and complete the bond between them

The Hybrid Rule Quinn Loftis, 2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years Evil witches warlocks fae elves and alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition

Piercing Silence Quinn Loftis, 2015-06-12 It's been six months since Jacques Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacques butt is getting wider by the minute Jacques doesn't

know it but the reprieve was about to be over She and Fane thought his demons had been dealt with but the nightmares are back and the In Between is once again ripping a hole inside of her mate Jacque can't stand to see him hurting She can't stand knowing that in some way she was responsible for his struggle because she after all was the subject of his pain from the In Between She'll do anything to stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn't need Others will call it insane Jen will add her own creative descriptions including expletives thrown in for added effect Whatever you call it Jacque calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name
