Grades:

I use grades for two basic purposes. Grades should reflect a student's mastery of the material (as measured by test scores). However, grades are also used to motivate student to learn in ways that are difficult to measure with tests. Therefore, points are allocated for non-test learning behaviors. Composite scores from tests and other activities are used to assign final scores. The following breakdown will be used.

Quizzes & papers	100 points
Midterm exam	100 points
Final exam	200 points
Class Participation	25 points
Total	425 points
