Fedzilla Vs The Constitution:

Fedzilla Vs. the Constitution John Krill, 2015-03 In 1788 the Constitution of the United States created a federal government of limited powers Everyone agreed that any power not on the list of 18 enumerated powers was retained solely by the states or the people Yet today federal bureaucrats decide what our children should eat for lunch at school the kind of pajamas they wear the type of bulbs we screw into lamps and more Most importantly Washington decides how much of the money we earn we deserve to keep and how much it believes it can put to better use The Constitution has been turned upside down The federal government has practically all the power and the states are left with only the occasional bones thrown to them from Washington How did this happen Fedzilla vs the Constitution explains how a government given limited powers mutated into the behemoth it is today Issue by issue the book shows how it was done starting with the administration of George Washington and continuing through the Obama Administration Fedzilla vs The Constitution explains why limited government at the federal level is still needed and is what the real Constitution requires Ted, White, and Blue Ted Nugent, 2010-05-17 It s About Time America has been craving leadership and at last a gun slinging mega rock star deerslayer and patriot has stepped forward to provide it Make way for Ted Nugent Cocked locked and ready to rock the Motor City Madman the thinking man s Abraham Lincoln has unleashed the ultimate high octane political manifesto for the ages in Ted White and Blue the most important patriotic statement since the Constitution In Ted White and Blue you ll discover Why war is the answer to so many of our current problems Why if Ted were a Mexican he d start a revolution and how since he s not we can control our own borders How to put Uncle Sam on a diet a waste watchers program for government If you care about America if you want to preserve protect and defend the land of the free and the home of the brave if you re fed up with lazy whining fear mongering government gorging Obamaniacs then you need to read Ted White and Blue The Nugent Manifesto

The Velvet Coup Daniel Lazare, 2001-10-17 Not only will breakdowns like the one that occurred in November 2000 grow more frequent they will grow more serious as well Jacket *Tomorrow's Weapon Vs. the Constitution* James Warren Beebe, 1959 **The Compromise, the Constitution, and the Union**, 1850 *In Defense of the Constitution: Ending America's Occupation* Reg. B. Two Stones, 2014-03-20 I want my readers to note the Preamble is the thesis statement tells the reader who this process descriptive and expository essay was written for of the US Constitution So according to the rules of English grammar any time in the constitution a pronoun like people persons them they or their for example is used English grammar rules say these pronouns are referring back to America s citizens which is what it says in the Preamble the topic of the Constitution If you understand this rule when we read Section 1 of the 14th Amendment we should understand that when the pronoun persons is used in this sentence this pronoun is referring to America s citizens and no other citizens from other countries because of the rules of the use of pronouns Here is how Section 1 of the 14th Amendment would read when the pronoun is taken out and the proper noun subject or thesis of the Constitution Americans or American is used to replace the

pronouns All Americans born or naturalized in the United States and subject to jurisdiction thereof are citizens of the United States and of the state wherein they reside No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States nor shall any state deprive any American of life liberty or prosperity without due process of law nor deny to any American within its jurisdiction the equal protection of the laws Now that you are reading Section 1 of the 14th Amendment the way it would read if the pronouns are replaced by the proper noun that replaces these pronouns I hope my fellow Americans can see that this sentence in no way offers automatic US citizenship to any illegal child that is born on US soil to illegal parents that are in America without permission

The Revolutionary Labor Amendment and the Constitution Sampson R. Child, 1925

The Constitution Failed Robert R. Owens, How can you say The Constitution failed Don't you mean We failed the Constitution Or is that a distinction without a difference Since the declared and understood purpose to the writing and ratification of the Constitution was to create and sustain a limited government and since We the People now face an unlimited government Dr Owens maintains we face the painful reality The Constitution failed As a member of the Richmond Tea Party and a contributing author to the websites of numerous Tea Parties across the fruited plane Dr Robert Owens the author of the History of the Future builds upon Dispatches from that History to show not only that the Constitution has failed but that in many ways that failure was foretold before it was ever ratified by the arguments of the Anti Federalists He then goes on to offer recommendations for how We the People can organize and advocate for a solution which will preserve liberty in the land of the free and the home of the brave

One Man's Opinion: A Suggested Rewrite for the Constitution of the United States, A Nation of Sheep Andrew P. Napolitano, 2009-06-21

In A NATION OF SHEEP Judge Andrew P Napolitano frankly discusses how the federal government has circumvented the Constitution and is systematically dismantling the rights and freedoms that are the foundation of American democracy He challenges Americans to recognize that they are being led down a very dangerous path and that the cost of following without challenge is the loss of the basic freedoms that facilitate our pursuit of happiness and that define us as a nation Judge Napolitano reminds readers what America is all about that the purpose of government is to protect freedom and freedom is the ability to follow your own free will and not the will of government bureaucrats He asks the simple question which are YOU a sheep or a wolf Do you blindly follow behind where you are led or do you challenge the government at every pass forcing it to make decisions that will protect our freedoms Judge Napolitano asks the questions that no one else will challenging readers to rethink why they are blindly following a government that has only its own interests in mind He asks Why is the government using the war on terror as an excuse to sidestep the Constitution Why are Americans not challenging and questioning the government as it continues to limit more and more of our freedoms What part of Congress shall make no law does the government not understand when it criminalizes speech Whatever happened to our inalienable rights to life liberty and the pursuit of happiness that are proclaimed in the Declaration of Independence guaranteed by the Constitution

yet ignored by the governments elected to protect them Why does every public office holder swear allegiance to the Constitution yet very few follow it Don t we have rights that are guaranteed and cannot be taken from us
