Nichols, 2010-03 It is that time of the year again the Apprentice Festival It s the time that all thirteen year old boys and girls become men and women They enter into an apprenticeship that will become their career for the rest of their lives It s supposed to be one of the best days of his life But everything keeps going wrong Even though Lee ends up being the laughing stock of the festival even though he falls off of the bridge into the moat even though he is caught playing dress up at a make believe tea party Lee is positive that he is going to be chosen as the new Wizard s Apprentice Unfortunately everything continues to go wrong Embarrassed and humiliated Lee walks off of the stage and into more trouble With the help of his best friend Wanda the recently proclaimed adults discover the hidden world of the elves After managing to be blamed for stealing the Zodiac Arsenal artifacts discovering a different type of magic and destroying all of the magic back on Earth they are forced to defeat a wizard befriend a dragon and try to save the city While trying to accomplish everything they are forced to teach Lee s worst enemy how to use magic that he twists around and uses against them **Centaur Planet** Thom L. Nichols, 2010-03 Magic messed up everything It always chose the worst time to screw everything up Billy was fine He kept his magical life away from his normal life and he was happy Then everything happened at once Billy s passion was football It was simple It was enjoyable It was pure There was only one way to play and the thought that magic couldn t corrupt it Then someone cheated and his world fell apart The most amazing player in decades turned out to be cheating magically There was nothing Billy could do about it The NFL was a fantasy place It was on TV and it was real but it was so far away Yes Billy could use magic he had magical friends but he was

just a fast food closing manager He couldn't do anything about anything Then everyone in the world suddenly spontaneously transforms into centaurs They don't transform into the traditional equine lower body with a human upper torso they become centaurs with the lower bodies of a variety of animals The world is decimated overnight People find themselves too small or too big for their vehicles Cars and planes careen out of control and there is massive loss of life Everything is affected from food production to transportation to football players The whole world is in chaos Finding out that one of his magical friends was inadvertently associated with the transformation Billy learns that a magical event was going to take place in the near future It's called Brianna's Call and it is the return of magic to the Earth The only way that the world can transform back into their human bodies is for them to intercept Brianna's Call In order to do that Billy must join his favorite NFL team and take them to the championship game Brianna's Call is going to touch down on Super Bowl Sunday at the Super Bowl Along the way Billy must confront the cheating NFL player battle powerful wizards intent on collecting Brianna's Call for themselves and deal with a jealous girlfriend
