Turner, Jan E. Stets, 2005-03-14 All social relations involve emotional responses from the simplest face to face encounter through the mobilization of social movements to the commitments that individuals develop for culture and society The social world is thus dependent upon the arousal of emotions and equally significant conflict and change in societies is ultimately driven by emotional arousal Thus it is important to understand how human emotions influence and are influenced by the social world This understanding takes us into the sociology of emotions that has emerged as a distinct area of inquiry over the last thirty years *Emotions and War* S. Downes, A. Lynch, K. O'Loughlin, 2016-02-03 This volume addresses the place of the emotions in literary representations of war across six centuries of European history It challenges modern assumptions about the passions and feelings attending violent conflict in order to reveal the multifarious historical emotions and emotional histories of war *Histories of Emotion* Rüdiger Schnell, 2020-11-23 This study addresses two desiderata of historical emotion research reflecting on the interdependence of

textual functions and the representation of emotions and acknowledging the interdependence of studies on the premodern and modern periods in the history of emotion Contemporary research on the history of emotion is characterised by a proliferation of studies on very different eras authors themes texts and aspects The enthusiasm and confidence with which situations actions and interactions involving emotions in history are discovered however has led to overly direct attempts to access the represented objects emotions feelings affects as a result too little attention has been paid to the conditions and functions of their representations That is why this study engages with the emotion research of historians from an unashamedly philological perspective Such an approach provides among other things insights into the varied often contradictory observations that can be made about the history of emotion in modernity and premodernity
